If young girls would look ahead it would sometimes save them from serious collision with the men they marry. It is here that ignorance is almost a crime. The young husband cannot understand it when the wife changes to a peevish, nervous, querulous woman. And the young wife does not understand it herself. She only knows that she is very miserable.

If ever there is a time when nature needs help it is when the young girl is adjusting herself to the new conditions of wifehood. Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It promotes regularity, dries debilitating drains, heals inflammation and ulceration, and cures female weakness.

Sick women are invited to consult Dr. Pierce, by letter, free. All womanly confidences are guarded with strict professional privacy. Write without fear or fee to Dr. R. V. Pierce, Buffalo, N. Y.

FAT REDUCTION.

Mrs. M. Dumar studied the reduction of human fat for over 20 years, with the greatest specialists in Europe and America. Over 10,000 grateful patients attest her successes. Her treatment is not "Banting," nor starvation diet. She protests against the "Free Trial Treatment" fraud, so often advertised. Her's is no "Monthly Payment" scheme. Mrs. Dumar's treatment is endorsed by the Colleges of Physicians and by "The United States Health Report." Her total charge is \$1, which pays for prescription, for medicine sold in all first class drug stores, full instructions as to the treatment, and everything necessary to reduce one pound or more a day. No extra charges. No wrinkles and no injury to health.

FROM NEWSPAPER EDITORIALS. The patients of Mrs. Dumar are legion, and all of them are her friends.—Weekly Tribune and Star. Twenty odd years she has spent in serving her sister-sufferers and all have benefited by her treatment.—Family Physician Magazine, N. Y. For many years this successful specialist has been curing excessive fat, and we (acknowledged to be the highest American authority on all matters pertaining to health, sanitation and hygiene) feel authorized to recommend this treatment.—United States Health Report. If you find this treatment not based on common sense, and find it doesn't work, she will send you \$1 back. If you question the value of this treatment, ask any proprietor of a first class newspaper. They all know Mrs. Dumar and what she has done. She has not published a testimonial in years. She does not need to. Her work is too well known. If you are interested in reducing flesh and believe that a sure, guaranteed reduction (as promised above) is worth \$1 to you, mail that sum in bill, stamps or Money Order to Mrs. M. DUMAR, 15 West 28th St. New York.
