Aralgia Almost Drives People Mad.
Of those who have suffered it, know of the darting, distracting pains and aches neuralgia inflicts. Ordinary remedies don't even relieve. It requires an extraordinary strong, penetrating liniment to drive out the pain. To get relief rub Polson's Nerviline into the spot. Pain can't resist Nerviline which has five times the strength of any other liniment. Drives out neuralgia in half an hour. Never fails! Never harms! Always successful. Try a large 25 cent bottle.
Warts, Versus Mole.
Are either a mark of beauty? This would be a suggestive topic for debating societies. For the information of such, let it be known that Putnam's Painless Corn Extractor removes painlessly warts in a very short time. Druggists who sell the best always sell Putnam's Painless Corn Extractor.

THINGS OF VALUE.

There never was, and never will be, a universal panacea, in one remedy for all ills to which flesh is heir—the very nature of many curatives being such that were the germs of other and differently seated diseases rooted in the system of the patient—what would relieve one ill, in turn would aggravate the other. We have, however, in Quinine Wine, when obtainable in a sound unadulterated state, a remedy for many and grievous ills. By its gradual and judicious use, the frailties of the system are led into convalescence and strength, by the influence which Quinine exerts on Nature's own restoratives. It believes the drooping spirits of those with whom a chronic state of morbid despondency and lack of interest in life is a disease, and, by tranquillizing the nerves, disposes to sound and refreshing sleep—imparts vigor to the action of the blood, which, being stimulated, courses throughout the veins, strengthening the healthy animal functions of the system, thereby making a necessary result, strengthening the frame, and giving life to the digestive organs, which naturally demand increased substance—result, improved appetite, Northrop & Lyman of Toronto have given to the public their superior Quinine Wine at the usual rate and gauged by the opinion of scientists this wine approaches nearest perfection of any in the market. All druggists sell it.
No person should go from home without a bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as a change of water, climate, etc., frequently brings on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives. This Cordial has gained for itself a wide-spread reputation for affording prompt relief from all summer complaints.
A CAREFULLY PREPARED PILL.—Much time and attention were expended in the experimenting with the ingredients that enter into the composition of Parmelee's Vegetable Pills before they were brought to the state in which they were first offered to the public. Whichever other pills may be, Parmelee's Vegetable Pills are the result of much expert study, and all persons suffering from dyspepsia or disordered liver and kidneys may confidently accept them as being what they are represented to be.
A Medicine Chest in Itself.—Only the well-to-do can afford to possess a medicine chest, but Dr. Thomas' Electric Oil, which is a medicine chest in itself, being a remedy for rheumatism, lumbago, sore throat, colds, coughs, catarrh, asthma, and a potent healer for wounds, cuts, bruises, sprains, etc., is within the reach of the poorest, owing to its cheapness. It should be in every house.
EASING THE CHEST.
It is the cold in the chest that scares people and makes them sick and sore. The cough that accompanies the chest cold is racking. When the cold is a hard one and the cough correspondingly severe, every coughing spell strains the whole system. We feel sure that if we could only stop coughing for a day or so we could get over the cold, but we try everything we know of or can hear of in the shape of medicine. We take big doses of quinine until the head buzzes and roars; we try to sweat it out; we take big draughts of whiskey, but the thing that has its grip on the chest hangs on, and won't be shaken loose.
If the irritation that makes us cough could be stopped, we would get better promptly, and it is because Adamson's Botanic Cough Balsam is so soothing and healing to the inflamed throat that it is so efficient a remedy for coughs and colds. This really great medicine is a very simple preparation, made of extracts of barks and gums of trees, and never deceives. It heals the throat and the desire to cough is gone. When the cough goes the work of cure is almost complete. All druggists sell Adamson's Balsam, 25 cents. Try this famous Balsam for your sore chest and you will find prompt relief.
The White Plague Advances.
Consumption is gaining headway. Why? Bad colds are allowed to run on neglected. Catarrh sets in, is not checked, and Consumption is the result. Why not use Catarrhzone regularly? It cures colds in a few hours, and no case of Catarrh can withstand it. Catarrhzone cures by the inhalation of medicated air which goes to all parts of the lungs, throat and breathing organs. A pleasant, certain quick cure follows the use of Catarrhzone which is guaranteed under all conditions to cure Catarrh, Bronchitis and Consumption. 25c. and \$1.00.
HUNDREDS OF OPINIONS agree upon the fact that Pain Killer has alleviated more pain than any other medicine. Unequaled for diarrhoea and dysentery. Avoid substitutes. There is but one Pain Killer, Perry Davis'. 25c. and 50c.
