

CAREWORN MOTHERS.

Life often Made a Burden Through Nursing a Cross and Fretful Baby.

All babies should be good natured; well babies, if there is no outward reason for discomfort, are always good natured, and yet how many mothers permit themselves to be thoroughly worn out caring day and night for a sick, cross and fretful baby, when a little care and foresight would remove all the trouble and make both mother and baby happy.

Getting on in Years.

'Oh' gasped the beautiful woman as she fell back, clutching at her heart and permitting the telegram to flutter to the floor. Her fashionable guests rushed forward, crying: 'What is it? Has your husband met with an accident?' 'No-no, she moaned; 'it is from my son in-law. I am a grandmother.'

THINGS OF VALUE EASING THE CHEST

It is the cold on the chest that scores people and makes them sick and sore. The cough that accompanies the chest cold is racking. When the cold is a hard one and the cough correspondingly severe every coughing spell strains the whole system. We feel sure that if we could only stop coughing for a day or so we could get over the cold, but we try everything we know of or can hear of in the shape of medicine. We take big doses of quinine until the head buzzes and roars; we try to sweat it out; we take big draughts of whiskey, but the thing that has its grip on the chest hangs on and won't be shaken loose.

You will have to be identified before I can cash that check said the bank cashier to the man who was unfamiliar with the precautions of banks.

Oh, well, go ahead, then, answered the man with the check, in disgust. 'I don't reckon it hurts any more than being vaccinated does it?'

We have no hesitation in saying that Dr. J. D Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoea, cholera and all summer complaints, sea sickness, etc. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

Efficient Burden Life. The bilious man is never a comfortable being. His ailments render him morose and gloomy. The complaint is not so dangerous as it is disagreeable. Yet no one need suffer from it who can procure Parmelee's Vegetable Pills. By regulating the liver and obviating the effects of bile in the stomach they restore men to cheerfulness and full vigor of action.

Mrs Neerite—Really now, for Mrs. Nooritch that's quite a plain bonnet. I especially admire that modest little rosette of green ribbons.

Mrs Sharpe—They're not green ribbons my dear, merely a modest little bounce of ten dollar bills.

Useful At All Times.—In winter or in summer Parmelee's Vegetable Pills will cope with and overcome any irregularities of the digestive organs which change of diet, change of residence or variation of temperature may bring about. They should be always kept at hand and once their beneficial action becomes known, no one will be without them. There is nothing nauseating in their structure, and the most delicate can use them confidently.

Speakers' Sore Throat. Public speakers and singers know how useless and sickening are cough mixtures, sprays, lozenges, etc., for irritable or sore throat, and state that the most satisfactory remedy is Catarrhizone, the advantage of which is that it acts quickly and is convenient to use in public places. Catarrhizone relieves congestion, allays inflammation, and is a protection to the membrane. As a safe guard against colds and Catarrh it has no equal. Rev Mr McKay, Gederich, says "Catarrhizone is an excellent remedy for throat irritation." Physicians ministers and singers recommend Catarrhizone, druggists sell it for \$1. Small size 25c. By mail from Polson's and Co., Kingston, Ont.

Warts are Ugly

That is the reason no one is clamoring for a few more warts make them fashionable and a remedy to grow warts would quickly be made a financial success. Yes, Putnam's Corn and Wart Extractor removes them, works quickly and without pain any druggist will tell you more about this remedy.

'Her husband is very handsome, don't you think so?' 'Yes, quite handsome.' 'Isn't his plain wife jealous?' 'Not a bit of it. If he gets a little flirtation she simply cuts off his weekly allowance of nine dollars, and that ends it.'
