Ellis was married on X mas. day to Mr Fred Birthi-

THINGS OF VALUE.

Snarley-How is it you are never dunned? Yow-I long ago started rumors that I had a lot of money.

A CLEAR HEALTHY FRIN.-Eruptions of the skin and the biotches which blemish beauty are the re-sult of impure blood caused by unhealthy action of the Liver and Kidneys. In correcting this un-healthy action and restoring the organs to their normal condition, Parmelee's Vegetable Pills will at the same time cleanse the blood, and the blotches and eruptions will disappear without leaving any trace.

'I married in haste,' she explained, 'but I will repent at leisure ' 'Why,' said the bosom friend, 'I did not know

there was any such town as Leisure, South Dakota.

BE THERE A WILL WISDOM POINTS THE WAY .-The sick man pines for relief, but he dailikes sending for the doctor, which means bottles of drugs never consumed. He has not the resolution to load his stomsch with compounds which smell vil-lainously and taste worst. But if he have the will to deal himself with his ailment, wisdom will direct his attention to Parmelee's Vegetable Pills, which. as a specific for indigestion and disorders of the digestive organs, have no equal.

Why do you think the electric street railroad

ought to be so profitable?' 'Because there are no horses to feed and the passengers board the cars."

If your children moan and are restless during sleep, coupled when swake with a loss of appetite, pale countenance, picking of the nose, etc., you may depend upon it the primary cause of the trouble is worms. Mother Graves' Worm Exterminstor effectually removes these pests, at once relieving the little sufferers.

'De impression dat opporchunity only comes onct in a life time,' said Uncle Eben, 'is owin' to a man's temptation to do nuffin' de res' o' his days 'cep' moan bout de one he done los'.'

Nothing looks more ugly than to see a person whose hands are covered over with warts. Why have these disfigurements on your person, when a sure remover of all warts, corns, etc., can be found in Holloway's Corn Cure ?

'Ouch !' exclaimed Smithett as he limped across the bedroom floor, where a new carpet had been laid; 'ouch! I've ruined my foot! ouch! ouch!' 'There you go,' said his wife coldly, 'always on the wrong tack!'

Bickle's Anti-Consumptive Syrup stands at the head of the list for all diseases of the throat and lungs. It acts like magic in breaking up a cold. A cough is soon subdued, tightness of the chest is relieved, while in recent cases it may be said never to fail. It is a medicine prepared from the active principles or virtues of several medicinal herbs, and can be depended upon for all pulmonary complaints.

Perelope-And you say they are engaged? Patrice-Yes.

"Have they any tastes in common?"

The Misses Bell are guests of their sister. Mrs C McLeod. Victoria street, Amherst. Master Roy Morrison entertained

Well, yes; they chew the same kind of g

THE HACKINC COUGH.

O ne of the meanest things to get rid of is a back ing cough. There is apparently no cause for it. No soreness, no irritation at first; but the involuntary effort of the muscles of the throat to get rid of something is almost constant Of course, with many cough is a habit, but it is a bad habit, and should be stopped. When you realize this and try to stop it, you find you can't, for by that time there is an actual irritation, which will never get better without treatment.

It is a curious thing that nearly all treatment for cough actually makes the cough worse. Then, too, most medicines for cough have a bad effect on the stomach. This is especially true of so-called cough remedies that contain a narcotic. The true treatment for cough is one that heals the irritated surfaces. This is what Adam:on's Botanic Cough Balsam does. It protects the throat also while the healing process is going on. When this remedy was first compounded our old men were young boys, and al this time it has been doing a steady work of healing throats. The most obstinate hack-ing-cough will quickly show the effect of the Balsam. People who have been trying for years to break up the mean little cough, will find a sure friend in this old-time soothing compound made from the barks and gums of trees. All druggists sell & damson's Botanic Balsam. 25 cents.

Waiter-What shall I put on this sign? Soup House Proprietor-Patrons finding oysters in their soup please deposit them in the bowl at the right of the door passing out. This rule must be strictly adhered to.

'How can you call old Bogles a martyr to his principles, when every one knows he died of indigestion? 'Exactly. Hedied because he was devoted to the principle of allowing no doctor on earth to dictate what he should eat."

Dunn at St. John, as a number of young men who have lately arrived from Great Britain are seeking employment. Applicants should give class of help wanted and any particulars with regard to kind of work, CAFE
