EIGHT POUNDS!

Eight pounds of love and laughter, of smiles and sunshine or—? Many a mother can fill up the blank out of her experience of puny, wailing children, whose coming brought no gladness to the home.

ables her to nurse and nourish a healthy child.

The "Favorite Prescription" contains no alcohol, neither opium, cocaine, chloral nor any other narcotic.

"I am mother of six children," writes Mrs. C. A. Briggs, of Millwood, Douglas Co., Oregon, "and always took three or four bottles of 'Favorite Prescription' before confinement and never suffered any to speak of; had no after pains; my babies were large—they all weighed more than eight pounds, and I am not a large woman; weigh about 115 pounds. I have had some stomach trouble, but a few doses of 'Golden Medical Discovery' would set me all right. I am hardly ever without your medicine. They are all the medicine one needs, if taken in time, to keep one in perfect health."

"I feel that I owe my little boy's life to Dr. Pierce's Golden Medical Discovery, as he had convulsions, and everything he ate would bring them on. I commenced to give him the 'Golden Medical Discovery' in ten drop doses three times a day. Now he is just as healthy a child as can be found and he grows like a weed."
