Do you believe in Chinese immigration?
It depends on which side I'm on.
Which side?
Yes, which side of the Pacific?

Just one thing: prejudice, keeps some women from using PEARLINE. They think, if it acts on dirt so strongly, it must hurt the clothes. Soap and rubbing act on dirt, and the fabric is rubbed away. PEARLINE loosens the dirt better than any soap and bundles it out with little or no rubbing, and no injury.

The Rail Fence.
It roves the farm all over
With awkward-stepping feet,
Here close beside the clover
There just beyond the wheat.
Along the low fence
For woodland ways it makes,
And many a sylvan vagrant
As soon as it takes.
It loves the woodbine tangle,
It vines the milkweed pod,
And all its sunny ancles
Laughs out in gladness.
Beneath the crevice rider
The cricket shrills its hid,
And from the stake beside her
Complains the antydid.
The squirrel is its lover,
A sun afraid and fond
Are hobnob and plover
Of the central wood,
Of all around, oh yes,
It has the confidence,
And man and nature love it,
The homely old rail fence.

Wishes For the New Year.
May happiness and health be thine
Throughout this coming year;
May charms of beauty surround
All others, far or near.
May grace fall ways and winning smile
Gain friendship, firm and deep;
May fondest hearts the hours beguile
As onward speeds the year.
May peace of mind, that heavenly peace,
Be with thee through the year;
May Christian virtues never cease
And sorrows disappear.
May all the good his world can give
Reward thee on thy way;
May heavenly blessings, while you live,
Surround thee every day!
