A P R O C L A M A T I O N.

WHEREAS His Majesty was pleased in Council, on the 8th of April last, to regulate the commerce between the subjects of His Majesty's dominions and the inhabitants of the United States of America; and whereas the state of cultivation in most parts of the province of New-Brunswick renders it necessary further to continue the permission in that respect given for a limited time by my Proclamation published the 10th of January last: I have therefore thought fit by and with the advice of His Majesty's Council to publish this Proclamation, and I do in pursuance of the powers given me by the said regulations hereby allow and permit, horses, neat cattle, sheep, hogs, poultry and all other species of live stock and live provisions; peas, beans, potatoes, wheat, flour, bread, rice, oats, barley, and all other species of grain, to be imported by British subjects from any of the United States of America into the ports of this province, in

British built vessels, owned by his Majesty's subjects and navigated according to law, for and during the term of six months commencing from the date of these presents. And of this proclamation and permission all persons whom it may concern will take due notice and strictly conform hereto.

Given under my hand and seal at the City of Saint John this tenth day of July in the twenty-sixth year of his Majesty's reign and in the year of our Lord one thousand seven hundred and eighty-six.

(Signed) THOMAS CARLETON.
