Relief for the Afflicted.

WHEREAS RUPTURES prevail greatly in this country, and as many people from a false delicacy omit seeking a remedy, or from want of knowledge where to apply in time, suffer greatly when the early application of a TRUSS has cured numbers of Persons upwards of forty years of age, and those who have used them are sure to find relief: Mr. JOHN COOMBS at *Frederickton* will furnish them ready made at any time from the date hereof, and those who unfortunately come under that description, by sending word on which side the rupture has come, need not be at the fatigue of coming to him. The method of communication is recommended by a sincere friend to the community at large.
