FIRE.—On Thursday evening last a House belonging to the Widow BLAIR, situate in the upper part of Queen-street, in the occupation of two Families took fire and was in a short time burnt to the Ground The adjacent Buildings erected since the late awful conflagration were threatened with instant destruction, but by the direction of Providence, and the united exertions of the Officers and Men of the 52d Regt in this Garrison, with *some* of the inhabitants, they were preserved.—Too much praise cannot be bestowed upon that Regiment for their highly meritorious conduct on this as well as on all similar occasions.

Pollock, Gilmour, and Co £105 According to the latest accounts, about £1000 had been received

A similar Meeting had taken place in Liverpool We have not, as yet, heard the particulars—*N. B. Courier*

The ship Isaac Hicks, Moison, has arrived at New York from Liverpool, whence she sailed on the 4th of December, and furnishes papers to the 3d. The only intelligence of consequence is a full confirmation of the distress in the money market, which had caused several additional failures, and among which was one of some consequence on the London Stock Exchange, (that of Davison & Dowland, Stock Brokers.)—*Eastport Sentinel.*
