

On Monday, the 10th inst. at 1 o'clock, P. M. a fine brig named the *George Canning*, of nearly 300 tons burthen, was launched from the Ship-yard of Mr. William Dickson, of Truro. The day was uncommonly serene, and never did a ship take the water in more superior style. This is the third launch from the same establishment within these two years, amounting in the whole, to upwards of 1000 tons; and it is supposed by persons of high mechanical talent, who had opportunities of inspecting the yard, that, in point of Model, Construction and Workmanship, three more perfect and substantial vessels never were sent from these Provinces—a circumstance which reflects no little degree of credit on the master-builders, who are all natives of that part of the Country.—*Halifax Journal, July 30.*

BWARE OF IMITATIONS.

THIS article is now, beyond all dispute, considered by every Physician of extensive practice in the United States as the best known external remedy in all cases of Bruises, Sprains, Gout, Rheumatism, Cramp, Numbness, Stiffness of the Neck or Limbs, Chilblains, Chappel Hands, Stings of Insects, Vegetable Poisons &c.

The use of this celebrated remedy is not confined to the American States. Orders for it are constantly received from South America, the West Indies, Nova Scotia, Lower Canada, and in one instance orders were received from England and Russia.—In a late letter, to the Proprietor from St. Salvador, the writer observes, "Your Opodeldoc begins to be well known and fully appreciated," &c.

Certificates have been received, sufficient to fill a column of a paper. A few only of the first respectability are attached to the directions—among which is one from a Physician of the highest grade in Europe or America.

Pause before you Purchase.

No one circumstance can more fully prove the value and great demand for this Medicine, than the numerous servile and contemptible imitations in existence—some have so closely imitated the stamp and type of the outside wrapper, as to be difficult of detection, except only by the omission of the NAME. Therefore, as you value your Life or Limb, be sure to ask for and receive

Whitwell's Opodeldoc

only, or you may be most wretchedly imposed upon.

At the same place may be had, the *Aromatic Snuff*, celebrated throughout the American Continent, in cases of Catarrh and Headacher, Drowsiness, Depression of Spirits, Vapors, Dimness of Eye-sight, and all disorders of the head.

The Opodeldoc,

is recommended by Dr. MITCHELL, of New-York, M. D. L. L. D. Professor of Botany and Materia Medica in their College of Physicians: The SNUFF, by Dr. WATERHOUSE, Professor of the Theory and practice of Physic in the University of Cambridge.

The above articles, warranted Genuine, will constantly be kept on hand by SAMUEL KENDALL, jun. who is appointed Agent for the Inventors.
