Surveyor-General's Office, 21st May, 1827.

IN consequence of the late regulations regarding the disposal of Lands in this Province, the Surveyor-General feels it his duty to request the attention of the gentlemen holding deputations under him, to the necessity of the immediate execution of those orders of survey, at present in their hands, and to an active and punctual performance of all future orders of survey: and it being a matter of extreme importance to the interests of those individuals to whom Lands have been allotted by His Excellency the Lieutenant-Governor and His Majesty's Council, in conformity with the mode of granting Lands hitherto practised in the Colony, to be put without delay in possession of their Titles from the Crown, he trusts they will lose no moment when a Deputy notifies to them the receipt of an order of survey in their favor, in attending him to have it executed; and he begs at the same time to remind them that their failing to avail themselves of this communication will be entirely at their own risk.

VALUABLE TRACT OF CROWN LANDS FOR SALE.

District No. 12.

BY order of His Excellency the Lieutenant-Governor, Public Notice is hereby given, that 12,000 acres of Land in rear of the Woodstock Grant in the County of York, will be offered for sale by Auction at Woodstock, on Thursday the 1st day of November next, at eleven o'clock in the forenoon, in Lots of about 200 acres each, at an upset price of two shillings and sixpence per acre, and subject to the regulations heretofore published.

In case the purchaser shall pay down the whole amount of the purchase money, a Grant will immediately pass to him free of any further expense and unincumbered with any Quit Rent or conditions of improvement: but if the money shall be paid by instalments, the Grant will be withheld until the payment of the last instalment, and will then be passed free of any additional expense to the purchaser, and my certificate of such payment will entitle him to take immediate

possession of the land, and to hold the same subject to the conditions expressed in the terms of Sale.

In case purchasers of land at any sale not exceeding 200 Acres, shall be unable to advance the purchase money by instalments, they may be permitted to occupy the land upon a Quit Rent equal to five per cent upon the amount of the purchase money; One years Quit Rent to be paid at the time of sale in advance, and to be paid annually in advance thereafter: But in case of failure in paying these Quit Rents regularly, the Land will be again referred to Auction, and sold.

The Land now offered for Sale is situated between Eel River and the flourishing settlement of Richmond, the superior quality of the soil, and the local advantages it possesses from its proximity to the River Saint John, and the fine roads in its vicinity, render it highly worthy the attention of Agriculturists.

A particular description of the different Lots will be given when the Survey is completed.

For any further information, reference may be had to the Plans in this Office and in the Surveyor General's.
