**II. And be it further enacted**, That there be appointed some fit Person as Regimental Enrolling Officer for the said City who shall be allowed for his service such suitable yearly sum as the Lieutenant-Colonel commanding the Regiment with the consent and approbation of the Majors of both Battalions may direct to be paid out of the fines and other contingent monies of the said Battalions, each Battalion having an equal proportion thereof, and that it shall be the duty of such officer to keep a general Muster Roll containing the names of all persons liable to do duty in the said City Militia; and in order to the obtaining the same, the several Captains of Companies in the Regiment of City Militia shall forthwith furnish the said Enrolling Officer with lists of the Persons belonging to such companies at the time of the last General Inspection, and the said Enrolling Officer shall with the approbation of the Commanding Officer of the said City Militia appoint a time for taking such Enrollment, and shall also put up notices in the most public places in the City, and advertise in the Newspapers at least ten days before the time appointed requiring all Persons so liable to Militia duty, and not yet enrolled in any company, to come forward and enroll themselves, or send a written notification of their names and places of abode; and all Persons so liable to Militia duty, and not yet enrolled in any Company, who shall neglect to enroll themselves or send such written notification to the Enrolling Officer after such Notices and Advertisements as aforesaid, shall be liable to a fine of twenty shillings, and also ten shillings per diem for each and every day he may be absent from Militia duty, to be recovered with Costs in the Clerk's Court of the said City at the suit of the said Enrolling Officer; the said Fines to be applied as directed in and by the eighteenth Section of the said recited Act.
