MILITIA DISTRICT ORDERS.

By Lieutenant Colonel Maxwell, K. H.,

36th Regiment, and Colonel Commanding in the County of Carleton.

WOODSTOCK, March 28, 1839.

No. 1.—His Excellency the Governor and Commander in Chief in the Province of New Brunswick, being about to dispense with the services of the greater part of the Militia and Volunteer Force in this District,—Colonel

Maxwell takes this opportunity of returning his sincere thanks to them individually and collectively for the zeal they have manifested during the short time he has had the honor of commanding them:—And congratulates them on the diligence and efficiency they have displayed during the period they have been embodied—making sure, that they will return to their own firesides with a quiet conscience and the happy reflection that their country can depend on their services, should circumstances make it necessary to again call them forth.

No. 2.—To the able and talented old Officer His Excellency selected and sent to be their immediate Commanding Officer—the Colonel offers his best thanks, feeling satisfied that New Brunswick has not a more indefatigable and patriotic Soldier in its ranks than Colonel Allen—whose popularity in the province is only equalled by his anxiety to do his duty, and his uncompromising integrity to render the Militia Force effective, which is a clear proof that well merited approbation can be acquired without compromise or dereliction from paramount duties, and this speaks volumes for the good sense of the Militia of New Brunswick!!

No. 3.—To Majors Dibblee and Walsh whose unremitting zeal to promote the service, the Colonel Commanding cannot remain silent, and to Captains Cunliffe, Ketchum and De-Mill, whose companies from the progress they made, evinced their unwearied application, and the great anxiety they shewed to receive instruction, as well as to Captains MacLauchlan and Giberson, of whose companies Major Nugent reports most favourably, his thanks are also due;—and to the Borderers, commanded by a gallant old veteran—Captain M'Kenzie—the martial appearance of whose company was not to be wondered at, when was seen suspended at his breast the glorious trophy of his having fought on the immortal Field of Waterloo!!

No. 4.—To Captain Garden and the Officers, Non-Commissioned Officers and Troopers of the Carleton Cavalry, Colonel Maxwell offers his best acknowledgements, and to Lieutenant Perley with whom he came more particularly into contact, he begs to reiterate his high sense of their merits—as well as to the York Light Horse, who were always found at every hour of the day or night at their posts, prompt and ready to carry the different Dispatches that the exigencies of the times and Her Majesty's service rendered necessary. And now to all as they return to their peaceful homes, and to their several useful and domestic avocations, he offers his best wishes for their continued health, happiness, and prosperity.

By Order.
JOHN PRATT, Lieut. 36th Regt.
District Adjutant.
