

Supplement to the Royal Gazette, March 6, 1839.

LOYAL BRITISH FEELING AND NOBLE CONDUCT OF THE NOVA SCOTIA LEGISLATURE. LEGISLATIVE COUNCIL CHAMBER, HALIFAX, 26th February, 1839.

On Motion of the Hon. Mr. Stewart, resolved, that a Committee be appointed to prepare and report such Resolutions and other measures, as it may be proper to adopt in consequence of the invasion of the Province of New Brunswick, by an armed force from the State of Maine.

Ordered, That Mr. Stewart, Mr. Ratchford, Mr. Wilkins Mr. Campbell, and Mr. Almon, be a Committee to prepare the said Resolutions.

LEGISLATIVE COUNCIL CHAMBER, February 27, 1839.

The Committee appointed under the Resolution passed yesterday, reported a series of Resolutions, whereupon, on motion of the Honorable Mr. Stewart, the following Resolutions were unanimously passed.

WHEREAS, it appears to this House that, under the pretence of removing Trespassers a forcible inroad has been made by the authority of the State of Maine upon that part of the Province of New Brunswick which is claimed by the United States, but of which the exclusive possession and jurisdiction have ever been in Great Britain; and that the Government of the said State has adopted measures to levy an armed force, and to raise a large sum of Money, with the avowed object of committing further outrages upon the Sovereignty and Dominion of Her Majesty; And whereas, by agreement between the Imperial Government and that of the United States, Great Britain is to remain in such exclusive possession and jurisdiction, until the right thereto shall be determined, and negotiations are now pending for the amicable adjustment and determination of the said claim.

Resolved unanimously, That this House regards with the deepest indignation, the sudden and unprovoked attempt to wrest, by violence, the said possession and jurisdiction from our Empire, distinguished as much by its justice, as by its power and greatness, and this House contemns as utterly unworthy and frivolous the pretence by which the said State attempts to vindicate its extraordinary and most unjustifiable proceedings.

Resolved unanimously, That these measures, if persisted in, may bring a destructive and unnatural War and its attendant horrors upon the people of two Nations, whose common origin, language and interest, render every well disposed inhabitant of both Countries anxious to preserve uninterrupted the peace and friendly intercourse which have for a long period so happily existed.

Resolved unanimously, With humble reliance upon Divine Providence, and looking for protection and assistance to the Parent State, this Colony will use its utmost endeavours to vindicate the sovereignty and defend the rights of Great Britain, whenever they may be assailed.—And our fellow subjects in the Sister Colony may confidently rely that the People of Nova Scotia will, to the utmost of their power and ability, aid them in resisting every attempt to take forcible possession of a Territory, the custody and safe keeping whereof have been entrusted to them by their Sovereign, until she shall have commanded them to surrender it.

Resolved unanimously, That this House will cordially unite with the other branches of the Legislature, in devising such measures as may be requisite to adopt in the present emergency to vindicate the supremacy and integrity of the Empire.

Resolved unanimously, That a humble Address be presented to His Excellency the Lieutenant Governor with these Resolutions, praying that he will take such steps as he may think fit, to make known the sentiments of this House, and of the People of this Province, to the Government and the brave and loyal People of New Brunswick.

At five o'clock this day the President and Members of the Legislative Council waited on His Excellency the Lieutenant Governor with the following Address:

To His Excellency Lieutenant General Sir COLIN CAMPBELL, K. C. B., Lieutenant Governor and Commander in Chief, in and over the Province of Nova Scotia, and its Dependencies.

The humble address of the Legislative Council. MAY IT PLEASE YOUR EXCELLENCY,

The Legislative Council has passed the accompanying Resolutions, upon the subject of the recent outrages which have been committed upon that part of the Province of New Brunswick claimed by the State of Maine, and the Legislative Council humbly pray your Excellency to transmit them to the Right Honorable the Secretary of State for the Colonies, to be laid at the foot of the Throne, and the Legislative Council further pray your Excellency to transmit copies thereof to His Excellency the Governor in Chief, and to His Excellency Sir John Harvey, the Lieutenant Governor of New Brunswick.

HIS EXCELLENCY'S REPLY.

Mr. President and Honorable Gentlemen of the Legislative Council:

The sentiments and expressions contained in these firm and spirited Resolutions are most gratifying and acceptable to me.

You designate the unprovoked conduct of the Authorities of Maine in its true colors, as being utterly unworthy and frivolous in endeavouring to vindicate its unjustifiable proceedings, by attempting to wrest from a neighbouring State during a period of peace, the custody of a territory with which they had been entrusted by their Sovereign.

It is most gratifying to me to find that a feeling of entire unanimity pervades the Legislature and people of this Province, to assist in resisting to the utmost, any aggression that may be attempted on New Brunswick, and you may be assured that the Parent State will afford you every aid and support.

I shall have great pleasure in transmitting to the right Hon. the Secretary of State, to be laid at the foot of the Throne, sentiments so honorable, from so highly respectable a body, and I shall not fail to communicate these Resolutions to His Excellency the Governor-General of British North America, and to His Excellency Sir John Harvey.

solutions to His Excellency the Governor-General of British North America, and to His Excellency Sir John Harvey.

C. CAMPBELL. Government House, 27th Feb. 1839.

[From the Halifax Royal Gazette, February 27.]

Every Nova Scotian, nay, every Briton, must feel pride in the Assembly of this Country, who witnessed the unanimity of yesterday, on receiving the information, that the Government of Maine meditated an attack on the Province of New Brunswick, and we trust the assistance proffered, will convince our fellow countrymen that Nova Scotians are determined to resist Foreign aggression, and maintain the integrity of the Empire; on this occasion, the "din of party warfare" was hushed, and on motion of the Hon. E. M. Dodd, seconded by Joseph Howe, Esquire, the House unanimously suspended all business, and adjourned to five o'clock, to obtain time for a Committee to report the most effectual mode of co-operating with New Brunswick; at five o'clock the Committee reported to the House the following Resolutions.

Resolved unanimously, That in consequence of information this day received from New Brunswick, of the proceedings on the part of the State of Maine, involving a proposed invasion of the neighbouring Province, this House deems it necessary to suspend all other business at present, in order to concert such measures as may be necessary to prepare for joining in repelling any such invasion, and in defending the just rights of the neighbouring Province as well as our own.

Resolved, That Messrs. Howe, Young, Doyle, DesBarres and Forrester, be added to the Committee on the Military Defence of the Province—that the Committee wait upon His Excellency the Lieutenant Governor, to request His Excellency to furnish any information he may have received from New Brunswick.

1. Resolved unanimously, That one third of the Militia Force of the Province, between the ages of eighteen and forty five, be drafted by direction of His Excellency the Lieutenant Governor, and Officer for active service, to the extent of Eight Thousand Men.

2. Resolved unanimously, That His Excellency the Lieutenant Governor be authorized to require every Regiment or Battalion to select Two Hundred Volunteers for every Six Hundred Men, rank and file, between the ages of eighteen and forty five, or in the like proportion for a greater or less number.

3. Resolved unanimously, If a sufficient number of Men in each Regiment or Battalion do not volunteer, that His Excellency be authorized to fill up the number from the draft of such Regiment, agreeably to Law.

4. Resolved unanimously, That such lists of Men who shall have volunteered, or been drafted as aforesaid, when returned and approved by His Excellency the Commander in Chief, or such person as he shall appoint for the purpose, shall be considered the lists of Men liable to be first called out for actual service.

5. Resolved unanimously, That the Lieutenant Governor be authorized to appoint Officers to command such drafts or bodies of Volunteers for the Regiment or Battalion to which such draft or volunteers may belong, or make such other arrangement as may secure efficient Officers to command such drafts or Volunteers.

6. Resolved unanimously, That His Excellency the Lieutenant Governor be authorized to call into actual service so many and such of the said drafts or bodies of Volunteers as he may deem proper, and to make the necessary regulations, for consolidating any number of such drafts or bodies into a Regiment or Regiments, as may be requisite and necessary, and to appoint Field Officers, Adjutants, and Staff to each such Regiment, in order to render the same efficient for actual service.

7. Resolved unanimously, That His Excellency the Lieutenant Governor be authorized to order any such Drafts or Volunteers, when required for actual service, into Barracks, and to march them from one part of the Province to another, as the exigency of the service may require, and beyond the frontier of this Province, when necessary.

8. Resolved unanimously, That His Excellency the Lieutenant Governor be authorized to accept the service of any Volunteer Companies now formed, or which may be formed in this Province, and to consolidate them into Regiments or Battalions, and to appoint Officers for the same, and to take such measures generally as may be requisite to render such Battalions, Regiments, or Companies efficient for actual service; Provided, that such Volunteer Companies be willing to volunteer for service either in this Province or in the adjoining Province of New Brunswick.

9. Resolved unanimously, That all Non-Commissioned Officers and Private Soldiers, called into actual service, over and above the pay and allowance provided by Her Majesty, shall be entitled to additional pay from the Treasury of the Province.

10. Resolved unanimously, That this House will make suitable provision for the widows and Orphans of such Officers, Non-Commissioned Officers, and Rank and File, who may fall in actual service.

11. Resolved unanimously, That His Excellency the Lieutenant Governor be requested to direct an immediate enrolment to be made of the whole Militia Force of the Province, between sixteen and sixty years of age, and to have the same divided into classes agreeably to Law, and to have full and accurate returns made forthwith to the Office of the Adjutant General of Militia, of such enrolment, and of the state, condition and efficiency of the Arms, and of the quantity of Ammunition possessed by each Regiment or Battalion of Militia, of Company or Artillery.

12. Resolved unanimously, That, provision be made by Law, for the due and proper organization of the Militia, and for promoting its efficiency by Squad, Company and Regimental or Battalion Drills.

13. Resolved unanimously, That His Excellency the Lieutenant Governor be authorized to expend a sum of ONE HUNDRED THOUSAND POUNDS, if necessary, in the payment of the Militia and other services incidental to the protection of this and the adjoining Province from invasion, and that this House will provide or the same.

Much credit is due to the Gentlemen composing the Committee, for the attention they paid to the importance of the measure entrusted to them, the following we believe to be the names.

Honorable E. M. Dodd, Chairman, Messrs. Desbarres, Uniacke, Howe, Young, Huntington, Doyle, Dickey, Chipman, Forrester.

After a very able and animated address from the Hon. J. Uniacke, the House adopted the foregoing Resolutions unanimously, and the Hon. E. M. Dodd, who, in every case supports the dignity of the House, trusted the Speaker would allow an exception to the Rules customary, when he proposed that three hearty cheers might be given, to be joined by the Gallery, which we rejoice to say, was heartily responded to by every individual present. Never have we before witnessed such a heart-stirring scene, nor ever before were such cheers heard in our House of Assembly.

A letter from Bermuda of the 9th February states that H. M. Brig Wanderer had just arrived there in 13 days passage from Jamaica, with Despatches for Sir Charles Paget—the Admiral having left Jamaica two days before her for Bermuda, in the Tartarus. Accounts, we regret to state, were received by the Wanderer, of the demise of Dr. Scott, of H. M. S. Cornwallis, a gentleman whose death will be long and deeply regretted by a large circle of relatives and friends.

Her Majesty's Ship Crocodile sailed on Saturday for Saint John, N. B., with a division of the 60th Regiment—the *Eliza*, Transport with another detachment, followed on Monday, and the *Numa*, with the remainder of the Corps from Barbadoes, we suppose, proceeded in company with the *Crocodile*, as she was spoken to the westward of the Port on Saturday morning, and was probably fallen in with by the *Crocodile* and ordered to St. John.
