

CONVICTIONS FOR VIOLATIONS OF THE NEUTRALITY LAW.—Rensselaer Van Rensselaer was sentenced to six months' imprisonment and fined \$250, to stand imprisoned until the fine be paid. It having been satisfactorily shown that he is wholly unable to pay the fine, the President has remitted the same.

William Lyon Mackenzie was sentenced to eighteen months' imprisonment, from the 20th of June last, and \$10 fine. The residue of his punishment has, we understand, been also remitted by the President.—*Albany Argus*.

SLAVERS CAPTURED.—We learn from the American Consul at Zanzibar, that H. B. M. sloop of war *Protest* arrived at Majunga about the 20th of December, from a cruise, having captured the Spanish brig *Scorpion*, a slaver, with 670 slaves on board, which were purchased at Quilamane; and the Portuguese brig *Andie*, with six slaves on board, bound from Mozambique to Quilamane.—The sloop of war sent both the slave vessels to the Cape of Good Hope. The *Protest* left Majunga on the 10th of January for Quilamane river, to arrest the sailing of several slave ships, which were loading with slaves at Quilamane, and which the *Protest* was expecting to capture.—*Salem paper*.

ANOTHER SLAVER.—The schooner *Mary Ann* arrived at New York on the 12th instant, from Sierra Leone. She was taken by H. B. M. brig *Boneta*, on the coast of Africa, being then under American colours—delivered over to Lieut. Paine, of the U. S. schooner *Grampus*, and by him sent to New York; the captain died on the passage.

GRAND BALL IN HONOUR OF HER MAJESTY'S NUPTIALS.—The Ball and Suppers to which the North British and Highland Societies of Nova Scotia invited His Excellency and Suite, came off on Tuesday evening last at Mason Hall.—We believe as many as three hundred were present. The band of the 23d were in the Orchestra, and two Pipers were imported for the occasion. His Excellency arrived at the Hall at half past nine, accompanied by Miss Campbell, and dancing immediately commenced and was kept up with spirit till about 12, when the Supper Room, built for the occasion, was thrown open and exhibited a splendid appearance, decorated with flags and branches, and the tables spread with an ample supply of substantial and delicacies. The principal toast—"Her Majesty and Prince Albert"—was followed by "His Excellency Sir Colin Campbell," to which succeeded "Miss Campbell,"—all of which were drunk with enthusiasm. Shortly after supper His Excellency retired, but the Hall was not deserted until Phoebe has brightened the horizon.—*Halifax Times*, May 12.

We understand that upwards of 120 of the non-commissioned officers and privates of the 11th Regiment, now about to embark for England, in H. M. S. *Apollo*, have volunteered to continue their services in Canada; but we believe it is not yet definitely settled if they are, with numerous other similarly situated, in other Regiments also under orders to return home, to be formed into a Provincial Battalion, for service in the Canadas, or are to be attached to other regiments which remain in this command; in the mean time their engagements, we are given to understand, are so framed as to render their services available which ever plan may be ultimately adopted.—*Quebec Mercury*.

For some months past numerous complaints have reached us of the irregular delivery of the Royal Gazette in the Northeastern sections of the Province, and having been made acquainted with the cause of delay, we stated the circumstances to the Post Office, where our papers are regularly mailed every week, and it appearing that the Postmaster there has not the power to apply the remedy, we have communicated the facts as they have come to our knowledge to the Deputy Post Master General at Halifax, who will no doubt instantly remove the annoyances and disappointments to the public, arising from the private quarrels of individuals in the Post Office Department.

ACCIDENT.—On the 7th instant, REUBEN WITHROW, a native of Nova Scotia, was killed in a Mill belonging to E. Burpe, Esquire, Gaspereau River, Queen's County, by the bursting of a wheel in a Shingle Machine.
