

By Authority.

CROWN LAND OFFICE,
20TH APRIL, 1840.

HIS Excellency the Lieutenant Governor has been pleased to direct that the under-mentioned persons, who are indebted to the Crown in the sums set opposite to their names respectively, for Lands purchased by them, do pay the same to the Receiver General at Fredericton, before the tenth day of September next, agreeably to certain Resolutions of the Honorable the House of Assembly, namely:

CLASS 1st.—“That where balances are due from purchasers, (of Crown Lands over three hundred acres,) who have taken out their Grants of the Land, the parties be called upon to make payment by the tenth September next; and in the event of their failing to make payment, legal proceedings should be resorted to for the recovery of the balances respectively due from such purchasers.”

CLASS 2d.—“That where balances are due from purchasers of Crown Lands over three hundred acres, who have paid one or more instalments of the purchase money, but no patent has issued to the purchaser, the parties be required to come forward and pay the balances due from such purchases by the tenth of September next, and in the event of their failing to pay the balance, the money already paid be forfeited, and the Land revert to the Crown, and all bonds or other securities given be cancelled. But in cases where one or more instalments have been paid, and the parties have cut Timber and Logs, they should only be relieved upon payment of the duty upon such Timber and Logs.”

CLASS 3d.—“That where balances are due from purchasers of Crown Lands under three hundred acres, they be called upon to pay, but that no coercive measures be adopted in case of their being unable to pay, but that the Executive Government should in such case extend the period for payment, as in their discretion they should deem applicable to the respective cases.”

JOHN S. SAUNDERS,
Surveyor General.
