PUBLIC Notice is hereby given, that His Excellency the Lieutenant Governor has appointed Saturday the twenty third of May next, to be set apart for the purpose of commemorating throughout the Province the Birth and the Marriage of our Most Gracious Queen; and His Excellency doubts not that it will be observed by all classes of Her Majesty's subjects, with those feelings of dutiful respect and attachment so often evinced by the loyal inhabitants of New Brunswick, and with every demonstration of pleasure and rejoicing at these auspicious events.

Fredericton, April 22, 1840.

Among our advertisements to day is one of the Floral and Horticultural Society of this Town, informing Subscribers that a large importation of Fruit Trees, flowering Shrubs, &c. is shortly expected, and that Members will be allowed to have them at the Boston cost. The order embraces a fine variety, and promises a rich and delightful addition to the present stock of our Florists. We are happy to learn that the Society is in a healthy state and that its members have received an additional impulse from the Bounty of the Legislature. We are informed that new Subscribers

names will be received until the stock arrives, who will be let in on the same terms as the old Members in the purchase of the expected articles. This is indeed liberal and praiseworthy on the part of the Society, and we hope the lovers and promoters of Horticulture will not miss the present opportunity of enrolling their names to advantage.

We are informed that is the intention of the Managing Committee to order from London, during the present season, a variety of bulbs to the amount of £20 or £30 Sterling. Knowing that our soil and climate are well adapted to the cultivation of the Tulip, Hyacinth, Narcissus, Lily, Crocus, &c. in all their beautiful variety, we are delighted to hear of a probable addition to our present supply, and we sincerely hope that the Society's operations will not be restricted for the want of funds, when there are so many in and about Fredericton who can and should enrol themselves as Members. There will be a Meeting of the Society to-morrow at Mr. Lee's Office, at 3 o'clock, when arrangements will be made as to the disposal of the expected supply.

ELOCUTION.

A Lecture on the above pleasing and elegant Art was delivered on Saturday evening, April 11th, by Mr. F. J. M. Collard, of Lower Canada, in the Collegiate Schoolroom, under the patronage of His Excellency Sir John Harvey, several of the Members of whose family were present.

The Lecture was illustrated and enlivened by several dramatic and other recitations, which were delivered with a force and propriety that gave convincing proof of the versatility of the learned Lecturer's talent.

About 70 of the young gentlemen of the Collegiate School were present, at the express desire of His Excellency the Lieutenant Governor, and they, as well as the senior portion of the audience, appeared to take a lively interest in the subject of the Lecture.

We cannot but express a wish that as the very unfavourable state of the weather prevented many persons from attending, who were otherwise anxious to do so, Mr. Collard had been induced to favour us with a repetition of his Lecture previous to his departure from Fredericton.

CORONER'S INQUEST.—An Inquest was held on Wednesday evening last, before HENRY FISHER, Jun. Esq., on the body of a male Child found buried in an out-building near a house on the corner of King and York streets. A verdict was returned to the effect, that Charlotte Paynton was the mother of the child,—that it died in consequence of her neglect,—and that she was guilty of concealment of the birth. The unfortunate woman was subsequently committed.
