

Doctry.

THE FALL OF ACRE.

OLD ACRE from the sea
Rears high his mural crown;
Proud bulwark of France,
He wears a scornful frown!
And Egypt's banner waves
O'er walls and towers, towers and guns,
And twice three thousand of her sons—
The Pacha's soldier slaves!

But lo! a noble fleet,
Borne gently on its way;
A beautiful and bright,
But terrible array!
And there the crescent glows,
And Austria's colours wave between
The standards of the Ocean Queen,
Fair England's royal rose!

"Now Acre, yield thy fort,
And strike the Pacha's flag,
Ere from thy lofty tower
Is torn the rebel rag!"
Then Youssef thus—"Away!
Or from these iron throats shall words
Give answer to your haughty lords,
And punish your delay!"

'Twas noon—the wind was down,
A dread repose had birth,
Prophetic as the calm
Ere earthquake rends the earth!
An hour and more they lay
Impatient off that castled shore,
Till sprang the sea-breeze, and they bore
Upon their hated prey!

Then rose that thunder peal
Which Europe knows so well,
That ever sounds in fight
Britannia's freemen's yell!
While Heaven, with smoke o'erspread,
Seemed raining rocket, shot, and shell,
Till shattered tower and bastion fell
On the Egyptian's head!

But, hark! what awful sound
The tortured air now rends;
Earth staggers, and the sea
Convulsively ascends;
Ah! there twelve hundred men
Met instant death; and high in Heaven
Their limbs, with stones and rapiers driven,
Blackened, descend again!

And now, 'midst ruins whelmed,
No more can Egypt's sons
Sustain the fiery shower,
Or man the well-fought guns!
Then shouts the English tar—
Still true and noble as of yore—
"Haste! hoist the signal! fire no more!
Let mercy dawn on war!"

Then glory to our flag!
And to our sailors' fame!
Who, generous and brave,
Have honoured England's name.
Ne'er noble deed was done!
For what defied Napoleon's powers—
"Fort of the East"—in three short hours
Was Acre lost and won!

State of Maine.

[From the Augusta Age.]

CORRESPONDENCE BETWEEN SIR JOHN HARVEY, GOVERNOR FAIRFIELD, AND PRESIDENT VAN BUREN.

To the Senate and House of Representatives:
I herewith lay before you copies of correspondence with the Lieutenant Governor of the Province of New Brunswick and of my communication to the President of the United States, in relation to the occupation of the Madawaska settlement by a detachment of British troops. An official report of the transactions alluded to by Lieutenant Governor Harvey has not yet been received by me.

JOHN FAIRFIELD.

Council Chamber, Jan. 6, 1840.

GOVERNMENT HOUSE, Fredericton, 2 New Brunswick, Dec. 19, 1840.

SIR—As Your Excellency will doubtless be informed of a detachment of Her Majesty's troops having lately arrived in the Madawaska settlement, I deem it to consist with that frankness, which I trust my intercourse with the authorities of Maine has always been characterised, to acquaint you that the movement in question, made by the orders of the Governor General of these Provinces, has no other object than to give support to the civil authorities of that settlement, one of whose magistrates, Francis Rice, Esq., has been grossly insulted, threatened with personal violence, and obstructed in the discharge of his duties, by persons professing themselves to be citizens of the State of Maine—and another, James MacLaughlin, Esq., also a magistrate of this Province, and holding the office of "Warden of the disputed territory," has been threatened by the person in charge of the armed posse stationed at "Fish River," with being arrested and sent as a prisoner to Augusta, in the event of his persevering in the performance of the duties imposed upon him by the Government of the Queen and that of this Province. Whether the assertions made, as I am assured by this person, that in holding this language he is only acting in accordance with his instructions, be correct or otherwise, Your Excellency will best know, but refusing, as I have done to believe that he can have received any authority for a proceeding which I must regard as inconsistent with existing engagements, I have not hesitated in expressing to the Governor General, my conviction that an armed civil posse corresponding in amount and description with that maintained by Maine, will be found quite adequate, to effect the object in view, viz. the prevention of acts of unauthorized aggression or interference as regards the inhabitants or authorities of the Madawaska settlement, and I have accordingly no reason to doubt, that acting upon this suggestion, His Excellency will forthwith give directions, for the troops to be withdrawn to their former stations.

I have the honor to be,
With great consideration and respect,
Your Excellency's most ob't servant,
J. HARVEY.

His Excellency the Governor of the State of Maine.

EXECUTIVE DEPARTMENT, 2 Saco, December 15, 1840.

SIR—I have the honor to acknowledge the receipt of Your Excellency's communication of the 10th inst. containing an exploration of a late movement on the part of the Governor General of the Provinces, in ordering a detachment of troops to the Madawaska settlement. Your Excellency says it "has no other object than to give support to the civil authorities of that settlement,—one of whose ma-

gistrates, Francis Rice, Esq., has been grossly insulted, threatened with personal violence, and obstructed in the discharge of his duties, by persons professing themselves to be citizens of the State of Maine,—and another, James MacLaughlin, Esq., also a magistrate of this Province, and holding the office of Warden of the disputed territory, has been threatened by the person in charge of the armed posse stationed at Fish River—with being arrested and sent to Augusta, in the event of his persevering in the performance of the duties imposed upon him by the Government of the Queen and that of this Province." While entertaining a just sense of the frankness and courtesy in which this explanation is made, I deem it my duty to say, that I cannot regard the quartering of troops at the Madawaska settlement, at this time, by the British Government, in any other light, than as a direct and palpable infringement of the subsisting arrangement, and that the above statement affords no sufficient excuse or justification of such an act. Nor is it the less aggravated by the circumstance that it is the repetition of a similar movement made since the arrangement was entered into, and which was at the time, the subject of complaint and remonstrance, not only on the part of the State Authorities, but by the General Government. The first was sought to be justified on the ground of apprehension that Main intended to do the like. The latter upon grounds which, if not less substantial, certainly afford no reasonable pretence, that any military force was necessary, much less a force in addition to the two hundred troops already stationed at Taniscon Lake. In regard to this point, that is, the absence of all necessity for a military force, I am happy to perceive that we do not disagree, and I trust that Your Excellency's suggestion to the Governor General touching its withdrawal will not be without effect.

In relation to the facts alleged, I am unable to say whether Your Excellency has been misinformed or not, but I have taken measures to have them correctly ascertained and reported. I can assure Your Excellency that you but do me justice, in refusing to believe that I am disposed to authorize any act, "inconsistent with existing engagements." If, however, the facts relate to a transaction, of which I have casually heard, but of which I have not been officially informed, I think Your Excellency will find that the allegations require much qualification. It has been reported that when certain of the citizens of this State were assembled at the Fish River settlement to give in their votes for Electors of President and Vice President, under a late law of this State authorising it, a magistrate from the Madawaska settlement, presented himself and attempted in the exercise of his official authority to disperse them. If such were the facts, instead of finding any cause for apprehension in the resisting his authority by the residents of that place, I can only wonder at their forbearance in not causing him to be arrested and subjected to trial and punishment according to the laws of this State, in such cases made and provided. Of the threats supposed to have been made to arrest James MacLaughlin, Esq., and send him to Augusta, I know nothing, but Your Excellency, I suppose, is aware that the right of that gentleman to act as "Warden of the disputed territory," has never been recognised or sanctioned by the authorities of this State, and I would respectfully add, that so far as the present Executive is concerned, never will be, especially in regard to that portion of it, in our exclusive possession and occupancy. What particular movements of Mr. MacLaughlin, have induced the supposed threats I am not apprised of. The facts however, in this, as well as the other case, I have taken measures to have correctly reported, when, I can assure Your Excellency, no disposition shall be wanting on my part, to do what a just regard for existing agreements as well as the honor and interest of the State may require.

I have the honor to be,
With high respect and regard,
Your Excellency's most ob't servant,
JOHN FAIRFIELD,
Gov. of Maine

EXECUTIVE DEPARTMENT, 2 Saco, Dec. 15, 1840.

SIR—I have the honor to enclose copies of a correspondence between Sir John Harvey, Lieutenant Governor of the Province of New Brunswick and myself, by which it will be perceived that Maine is again subjected to the mortification of having foreign troops quartered upon her territory. The alleged causes for this renewed outrage, and the circumstances under which it has been committed you will find stated in the letter of Sir John Harvey. That the alleged causes are entirely insufficient to justify so direct and palpable a breach of the subsisting agreement between the Authorities of this State and the Lieutenant Governor of the Province of New Brunswick, is clear. Indeed they hardly afford a decent pretext for adding another to the long catalogue of insults and injuries, which the citizens of this State have been compelled to endure, at the hands of the British Government for the last quarter of a century. I trust that the Executive Government of the United States will forthwith take measures to ensure the withdrawal of these troops from our territory, or to expel them, should the candid and reasonable suggestion, which it seems has been made to the Governor General of the British Provinces by Sir John Harvey, prove unavailing.

I have the honor to be,
With the highest respect,
Your most ob'dt servant,
JOHN FAIRFIELD,
Gov. of Maine.

President U. States.

PROSPECTUS.

THE MONTHLY REVIEW, DEVOTED TO THE CIVIL GOVERNMENT OF THE CANADAS.

THE Canadas have been united under an amended constitution—the foundation has been laid for an improved system of government. The success of that constitution will greatly depend upon a correct understanding and a just appreciation of its principles; and the advantages of the new system of government will be essentially influenced by the views and feelings of the inhabitants of the Canadas themselves. At a period so eventful, and under circumstances so peculiar, it is of the utmost importance that the principles of the constitution should be carefully analysed, and dispassionately expounded; that the relations between this and the mother country, and the mutual advantages connected with those relations, should be explained and illustrated; the duties of the several branches of the government and the different classes of the community stated and enforced; the natural, commercial, and agricultural resources and interests of these provinces investigated and developed; a comprehensive and efficient system of public education discussed and established; the subject of emigration practically considered in proportion to its vast importance; the various measures adapted to promote the welfare of all classes of the people originated and advocated; and a taste for intellectual improvement and refinement encouraged and cultivated.

Such are the objects of the MONTHLY REVIEW; objects which it is intended to pursue with views and feelings as unbiased and comprehensive as those of the government itself. Such a publication is a desideratum in the Canadas. The subjects to which its pages will be devoted require, at the present juncture, a more elaborate discussion than is suitable to the columns of a newspaper, and ought to be embodied in a convenient and permanent form. The topics discussed, and the subjects introduced, will become more varied as the immediate objects which have called the publication into existence shall have been accomplished. A monthly retrospect of public affairs, containing notices and observations respecting the measures of the government, and the leading events and questions of the day, will appear in each number.

THE MONTHLY REVIEW will, for the time present, be conducted under the supervision of JOHN WAUGHY, Esquire, late Editor of The Upper Canada Herald, assisted by several able writers in the two Canadas. A general invitation is also given to Gentlemen of talents and acquirements to contribute to the columns of the REVIEW. Each number will contain from 60 to 80 pages, royal octavo, double columns, small type and fine English paper. Each volume will contain not far from seven hundred pages, and furnish about as much reading matter as is contained in three common octavo volumes of five hundred pages each.

TERMS—Price 20s. per year, including postage, payable in advance. As the work is undertaken with no view to emolument, it will be enlarged and improved in proportion to the amount of available subscriptions. It will not be sent to any Subscriber without payment of six months subscription in advance. No subscription received for less than six months. All Post Masters are respectfully requested to act as Agents. Any Post Master or other person forwarding the names of six Subscribers, with the subscriptions, will receive a copy, gratis, during the same period. The first Number will appear on the first day of January, 1841. All communications must be addressed to the Editor of the MONTHLY REVIEW, Toronto, and be post paid.

The Editor is permitted and authorised to add, that the MONTHLY REVIEW has been undertaken with the sanction and under the patronage of HIS EXCELLENCY THE GOVERNOR GENERAL; although the writers alone will be responsible for the matter which it may contain.
