—ALSO—
ON CONSIGNMENT, a quantity of No. 1
HERRING, in lots to suit Purchasers.

A CARD.

MR. JACKSON begs leave to tender his
sincere acknowledgments to the respect-
able travelling community in this Province
and elsewhere, and more particularly to the
Gentlemen of Fredericton and its immediate
vicinity, for the kind and liberal support they
have afforded him during the time he has con-
ducted his present Establishment in this place.

Mr. J. would not wish to make a parade
about the principles upon which his Hotel is
founded; but it is well known that he by re-
fusing accommodation to any person that may
present himself, unless he bears the impress of
respectability, deprives himself of a great amount
of profit. The grand governing principles of
"JACKSON'S HOTEL" is "the accommodation
of respectable persons," and the Proprietor
flatters himself that this is fully carried out in
the detail.

As it is in Mr. J.'s contemplation to close
his present line of business the ensuing Spring,
and to commence another here, he hopes to re-
ceive the patronage of a Community so well
acquainted as this is with him; but should he
still continue his services to the Public in his
present line, he begs them to understand that
he will do so upon a larger and improved scale.

H. JACKSON.

All the Editors of Papers to which
Mr. Jackson is a Subscriber will please insert
the above.

J. E. WOOLFORD.
Fredericton, Feb. 1, 1841.

SCORBUTIC OINTMENT.

THIS OINTMENT is made from a Recipe
of the late celebrated Professor, JAMES
HAMILTON, of Edinburgh, who was a member
of that bright constellation of the Eighteenth
century, which illumined the whole Medical
World, and, in fact, there is scarcely a Physi-
cian of any standing or talent at present who
has not been taught by them.

When Dr. Hamilton gave the writer of this
his Recipe, he stated that an English Nobleman
who had two sons sorely afflicted with ring-
worm, had sent them to London and put them
under many of the most eminent Physicians of
that City, without any benefit; he heard of his
celebrity, and sent them to Edinburgh, and in
a few months he sent them home perfectly
sound by the use of the above Ointment.

This excellent Ointment is far superior to
anything hitherto used, for those who are af-
flicted with eruptions of any part of the body,
but particularly the young of both sexes, when
they arrive at the age of puberty; they are
often troubled with eruptions of the face, which
are very obstinate of cure. The finest face
may be injured and the countenance entirely
destroyed by freckles and other skin diseases.
The patient has only to use a box of the above
Ointment with a box of the pills, to be con-
vinced of the invaluable nature of both. Ladies
who are bilious and their faces of a dark or
yellow hue, will do well to use the Ointment
and pills, as they will invariably turn the com-
plexion to its proper colour and agreeable
whiteness.

The above Medicines will never fail in in-
ducing a healthy action of the whole frame,
without which no person can enjoy a good
state of health; in fact the very lustre of the
eye, as also the muscles of the face are lost and
destroyed in sickness. The old adage is cer-
tainly true "a sound mind in a sound body is
surely preferable to any other situation in life,"
but to see the young, who shall always be gay
and cheerful, suffering, and who cannot often
go into company on account of some deformity
of the face, is really dreadful in the extreme.
In ulcers of the lower extremities (which is
often the case in old people,) it will be found a
valuable remedy.

Children afflicted with skin diseases of the
head will find it answer better than any other
application whatever; and in cases of bald
head, the Ointment induces a healthy action
of the scalp, when the hair grows beautifully.

The writer of this has been abroad for 25
years, and during that period he has never
failed in one instance in making the most com-
plete cures.

The Ointment and pills may be had at No.
6, Belvoir Terrace, Vauxhall Road, near the
toll bar, Pimlico. All orders from the country
punctually attended to by addressing A. B.
Manson.

A work on the diseases of Children (ad-
dressed to Parents and Guardians of Children)
will be published in a few weeks, by a Physician
of 25 years' standing, and whose practice has
been very extensive amongst the young of both
sexes. Also, two Works, one on Yellow Fever
and the other on Asiatic Cholera.

The Advertiser has for sale 3,000 acres of
fine Land in Nova Scotia, North America.
JOHN ADAMSON, M. D.

mises lately owned and occupied by the Hon.

Road, with an excellent Farm House, Barns
and Outhouses.

Hanwell Road and the Road leading up the

the Hon. W. B. Kinnear.

Several Lots from 2 to 3 acres each, between
the Road and River, and the Premises known
as the "HERMITAGE," with all the Out
Houses, Garden and field adjoining.

sale until the 20th day of April next, and if
not sold by that day will be severally disposed
of by Public Auction.

NEWSPAPER ON A NOVEL PLAN.

A JOURNAL ON A PLAN ENTIRELY NEW, WILL
BE SHORTLY PUBLISHED IN LIVERPOOL, IN
CONNECTION WITH THE "NEW YORK AL-
BION."

TO BE CALLED "THE EUROPEAN."

ITS novelty will consist in being published
on the days on which the steamers se-
verally sail, so that it may always bring the
very latest news. Another feature will consist
in its combining every kind of intelligence, polit-
ical, commercial, and general; and it will be
ready for delivery to the subscribers immediately
on the arrival of the vessels. Copies for the
South and West will be forwarded by the first
mail. There is no single publication in Great
Britain which occupies this ground, and "THE
EUROPEAN" will combine all the matter of
interest to American readers, of half a dozen
British Journals. A comprehensive summary
of all the current political, parliamentary, and
general news of the day, will be given on one
page, while on another will be presented an
accurate digest of the Money Market, Cotton
Market, and Financial and Mercantile Affairs
at large. The proposed publication will in-
deed supersede a number of Price Currents,
Circulars, Shipping Lists, &c. and will put the
merchant, the politician, and the man of leisure,
in possession of all the European intelligence
that can interest him, a few minutes after the
vessel shall be in port. The subscription for
this publication will be at the low price of \$4
per annum, to the public generally, but those
who do or shall take the Albion also, will be
charged only \$2 per annum each, in addition
to the regular Albion subscription. Advan-
tage will be taken of Mr. Cunard's Steamers
whenever their priority of sailing promises a
priority of arrival.

Subscribers to the Albion residing in the
West Indies and South America can have The
European forwarded to them direct from Liver-
pool, on making known their wishes at the
Albion Office in New York.

It is stated in the above Prospectus that
subscribers to the Albion will receive the Euro-
pean at Two dollars per annum. Of the merits
of the Albion it is not necessary to speak, as it
is already so well known throughout North
America. Suffice it to say, that it continues
to be published with its wonted regularity, and
to enjoy its usual large share of public appro-
bation. Its embellishments and adjuncts of
Plates are of a superior order, and gives much
value to the work. By the following article
which has lately appeared in the Albion, it will
be seen that three new Plates are announced,
which, together with the paper itself, offer
abundant attractions to the lovers of Literature
and the Arts.

"In our last we announced our intention of
issuing to our subscribers two Plates in the
course of the ensuing year, the subjects being
the Duke of Wellington and Windsor Castle.
It has occurred to us that it might be acceptable
to our readers, if we were to select an Ameri-
can subject for one of our prints. This would
seem to be but fair to our American subscrib-
ers, as most of our previous plates have con-
sisted of English subjects; we have accordingly
determined upon adopting this course. Consis-
tently with this determination, and with our
most careful endeavour to present that which
shall be equally acceptable to all, we propose
to offer in addition and in due course the por-
trait of WASHINGTON.

"The events of the Revolution has now be-
come matter of history, and are too far removed
from the present time to allow of the contin-
uance of hostile feelings on either side. The
one great nation has become two—the inde-
pendence of the offspring has been acknowl-
edged by the parent, and they meet upon the
great theatre of the world on terms of equality
and friendship. Situated as they are, they
have a mutual interest in promoting each
other's prosperity;—by peace they gain every-
thing, by war they lose all. The interests of
no two nations upon the globe are so intimately
blended, and it is impossible to injure one with-
out inflicting a blow upon the other. In blood,
in language, in laws and institutions, the two
people are still one, and the only difference
that the philosophic philanthropist can discover
between them is, that the government of one is
at London and the other at Washington.

"Such being the relative position of the two
countries it behoves every virtuous citizen of
both to promote and inculcate to the best of
his abilities, peace, harmony, and reciprocal
good will.

"In our humble labors, which have now
continued upwards of eighteen years, it has
ever been our aim to cherish and promote these
sentiments, and we think that the offering we
now design to present to our American friends,
will be conducive to the same end. The plate
will be produced as soon as practicable, and
will be superior in execution to any that we
have yet offered to our readers."—*Albion*, Nov-
ember 28, 1840.

Orders for one or both papers will be
received at the Albion Office, or by any of its
agents.
