SCORBUTIC OINTMENT.

THIS OINTMENT is made from a Recipe of the late celebrated Professor, JAMES HAMILTON, of Edinburgh, who was a member of that bright constellation of the Eighteenth century, which illumined the whole Medical World, and, in fact, there is scarcely a Physician of any standing or talent at present who has not been taught by them.

When Dr. Hamilton gave the writer of this his Recipe, he stated that an English Nobleman who had two sons sorely afflicted with ringworm, had sent them to London and put them under many of the most eminent Physicians of that City, without any benefit; he heard of his celebrity, and sent them to Edinburgh, and in a few months he sent them home perfectly sound by the use of the above Ointment.

This excellent Ointment is far superior to anything hitherto used, for those who are afflicted with eruptions of any part of the body, but particularly the young of both sexes, when they arrive at the age of puberty; they are often troubled with eruptions of the face, which are very obstinate of cure. The finest face may be injured and the countenance entirely destroyed by freckles and other skin diseases. The patient has only to use a box of the above Ointment with a box of the pills, to be convinced of the invaluable nature of both. Ladies who are bilious and their faces of a dark or yellow hue, will do well to use the Ointment and pills, as they will invariably turn the complexion to its proper colour and agreeable whiteness.

The above Medicines will never fail in inducing a healthy action of the whole frame, without which no person can enjoy a good state of health; in fact the very lustre of the eye, as also the muscles of the face are lost and destroyed in sickness. The old adage is certainly true "a sound mind in a sound body" is surely preferable to any other situation in life, but to see the young, who shall always be gay and cheerful, suffering, and who cannot often go into company on account of some deformity of the face, is really dreadful in the extreme. In ulcers of the lower extremities (which is often the case in old people) it will be found a valuable remedy.

Children afflicted with skin diseases of the head will find it answer better than any other application whatever; and in cases of bald head, the Ointment induces a healthy action of the scalp, when the hair grows beautifully.

The writer of this has been abroad for 25 years, and during that period he has never failed in one instance in making the most complete cures.

The Ointment and pills may be had at No. 6, Belvoir Terrace, Vauxhall Road, near the toll bar, Pimlico. All orders from the country punctually attended to by addressing A. B. Manson.

A work on the diseases of Children (addressed to Parents and Guardians of Children) will be published in a few weeks, by a Physician of 25 years' standing, and whose practice has been very extensive amongst the young of both sexes. Also, two Works, one on Yellow Fever and the other on Asiatic Cholera.

The Advertiser has for sale 3,000 acres of fine Land in Nova Scotia, North America.
