

GOVERNMENT HOUSE,
St. John's Newfoundland, 23d Dec. 1841.
MY DEAR SIR,—I trust I need not say that by no one have the accounts of the sad calamity by which the City of Saint John has again been visited, been read with deeper concern than by myself and all my family. The few details which have met my eye do not inform me whether it has fallen with any peculiar severity upon the poor and more destitute classes, or whether any subscription has been entered into for their relief at this awful season—if there has, do me the favor to pay to it the amount of the enclosed draft, as the contribution of one who never can forget the kindness which he experienced from the inhabitants of New Brunswick, nor cease to feel the liveliest interest in all that affects her welfare and prosperity.
Yours, &c. J. HARVEY.

In addition to the sums collected at several places of Public Worship on the Eastern side of the Harbour in this City, and in the Parish of Portland, for the benefit of the Poor, as noticed in our last, amounting to £144 11s. 2d.—a collection of £6 17s. 10d. was made in the Baptist Chapel, Germain Street, on New Year's evening, and on Sunday in Saint Andrew's Church, of £14 10s. and in Saint Stephen's Church, of £12s. 14d. for the same benevolent object,—making a total of £173 11s. 2d.—a sum highly creditable to the liberality of our citizens, and which will tend materially to alleviate the sufferings of a number of poor families in this season of distress.

At a Meeting of No. 2 Fire Engine Company, held at the Engine House on Monday evening the 3d instant, it was
Resolved, That the sum of Four Pounds Thirteen Shillings and Seven Pence be appropriated out of the funds of the Company for the benefit of the Ladies' Benevolent Society of this City.

THOMAS BARLOW,
JOHN HAGARTY, } Committee.
CHAS. PATTON, }

On this Resolution being communicated to the Managing Committee of the Ladies' Benevolent Society, it was
Resolved, That the thanks of this Society be communicated to the Fire Engine Company, No. 2, for their kind donation of £4 13s. 7d. to this Society, and that this Resolution be published in the public journals.

M. SIMONDS, Secretary.

LOYAL DEMONSTRATION.—The St. John Printing Company gave a sumptuous entertainment to their friends on Monday evening last, in honour of the Birth of the Duke of Cornwall. The Supper was prepared in excellent style, at the Saint John Hotel by the Messrs. Seamen; the wines were of the best description, and the company separated at a late hour. The following were the toasts of the evening:

1. The Queen, and may God bless her. *Al—God save the Queen.*
2. His Royal Highness the Duke of Cornwall—may he imitate the virtues of His Royal Mother.
3. His Royal Highness Prince Albert, and the Princess Royal.
4. The Duchess of Kent, the mother of our beloved Queen.
5. The Duke of Sussex, and the rest of the Royal Family in England.
6. The Army and Navy.
7. His Excellency Sir William Colebrooke, and prosperity to the Province of New Brunswick.
8. The Majesty of the People, the legitimate source of all power.
9. A free and independent Press—the palladium of our rights and liberties.
10. Ireland as she ought to be, great, glorious and free;
First flower of the earth and first gem of the sea.
11. The trade and commerce of the City of Saint John.
12. The Fair Daughters of New Brunswick, and the Ladies generally.

We regret to learn that our much respected fellow townsman, Mr. John Duncan, of the firm of Owens & Duncan, and President of the St. John Mechanics' Institute, met with a very severe accident on Friday evening last. While returning homewards in his sleigh, and descending a steep part of Jeffrey's Hill, the sleigh was accidentally upset, and Mr. Duncan violently thrown out, by which one of his legs was badly broken, a little above the ankle. The Rev. Mr. Wishart and Mrs. Wishart were also in the sleigh, but received no injury.—*Observer.*

AWFUL ACCIDENT.—We learn that a boat with three men went over the Falls of Niagara, on the night of Monday last!—They had started from Schlosser at 9 o'clock, intending to cross over to Hudson's town, two miles above Chippewa. Shortly after they left the shore, cries from the river were heard at Field's tavern, near by, but excited no attention, as similar noises are very common in that quarter, from boatmen passing to and fro. No suspicion of the accident was had until Wednesday, when enquiry began to arise, and on Friday, awful evidence of the fate of the boat and her devoted crew, was presented in the fragments found in the eddy below the Falls. It is supposed that the boat was struck by a squall, and being heavily loaded with six barrels of whiskey, sank—the wretched men on board being swept by the resistless current down the American rapids, and over the frightful precipice below! The names of two were Jehiel D. Kenney and John York, and the other was a stranger who had merely taken passage for Canada. The two former were from Nova Scotia. Kenney had kept tavern eight miles above the Falls for two years past, and left a wife and three children. Part of one of the mangled bodies is said to have been found yesterday.—*Buff Com.*
