

The accounts referred to by Mr. Pennington, of the 30th June, 1837, shewing a surplus or balance in favor of Government at that period of £46,484 0 4, were the statement of the Casual Revenue being provided for by the Legislature; the outstanding Warrants of £2,857 7 11, were Warrants on has never, I believe, been made available to the Provincial Treasury, in consequence of engagements previously made by the Government for work to be performed on the Royal Road. In July, 1837, the amount of £15,000 Sterling, drawn on the Lords of the Treasury, on account of payments made towards the payment of the outstanding Provincial debts.

The Expenditure of the Province, in consequence of very large sums being appropriated to opening of and improving the Roads of Communication, having since that period exceeded the Revenue, the amount of £29,000, loaned to the Banks at 3½ per cent. interest, part of the £35,000 above mentioned, was called in, and at the close of past year, viz. 31st December, 1841, the Financial state of the Province stood thus—

Debts and Liabilities.....	£108,677 7 6
Assets, exclusive of the balance due by the Land Company,...	75,113 11 3
Amount of actual Debt,.....	£33,563 16 3

The Bank Account, under the Act 2d Vict. cap. 44, allows an interest of 4 per cent. on Deposits, as well as on sums that may be drawn out by the Treasurer. A credit being allowed on the payment of Provincial duties, this Account was deemed expedient to enable the Treasurer to pay promptly all demands against the Province, but the increased expenditure having outstripped the limits of this account, the Treasurer has been obliged to put a number of Warrants on interest, at the rate of six per cent. agreeably to the provisions of the previous Act of 4th Wm. 4, cap. 43.

JOHN S. SAUNDERS,
Surveyor General.

On Saturday last, His Excellency the Lieutenant Governor received, by appointment, at Government House, the Archdeacon, and those of the Clergy who were then in Fredericton, who presented the following

ADDRESS:

MAY IT PLEASE YOUR EXCELLENCY—

The Clerical Members of the Church Society of this Archdiocese, now assembled in Fredericton, are desirous to add their tribute of respect, to those which Your Excellency has already received from so many quarters; and to assure you that, by no class of Her Majesty's Subjects in this Province, are the great objects, which are understood to occupy your constant attention, regarded with greater interest, than by the whole body of the Clergy.

Our prayers are continually offered up for all Schools and Seminaries of sound learning and religious education, and gladly will we give such aid, as may be within our province, to the improvement of such institutions of that kind, as may exist in our respective Districts.

We pray likewise for concord, order, and security, among all classes and conditions of men, and shall be always found striving to promote them in every way consistent with the duties of our sacred calling.

We are anxious to see the industrious emigrant judiciously assisted in the commencement of his arduous undertaking, as a settler in the wilderness; and that he should not be cut off from the benefit and comfort to be derived from social worship, pastoral superintendence, and religious instruction.

And, being given to understand that all these are objects which Your Excellency is labouring with exemplary earnestness to promote, you have our most cordial wishes for your success, and our prayers that the blessing of the Great God of our Fathers may attend you and your family.

To which His Excellency was pleased to Reply as follows:—

REVEREND GENTLEMEN,—

I have derived very sincere gratification from the Address which you have presented to me, and as a Member of the Church, I return you my cordial acknowledgments for the interest you have taken in the objects which I hope to see accomplished for the benefit of the people of this Province.

I appreciate highly, the aid which you are prepared to afford, in the improvement of the Schools and Seminaries, and I concur with you in desiring that they may be rendered the

Of the above debts and liabilities, about £20,000 bear 4 per cent. interest, and £8,000 bear 6 per cent. interest, against which, £25,000 of the assets bear also an interest of 6 per cent.

I have the honor, &c.

B. ROBINSON, P. T.

ALFRED READE, Esquire, Private Secretary.

LETTER FROM ATTORNEY GENERAL AS TO PENALTIES UNDER SEAMEN'S ACT.

Fredericton, 5th February, 1842.

SIR,—I have the honor to enclose a statement of certain Prosecutions, instituted by several different informers, for penalties incurred by the defendants therein named, for the non-importation of Seamen, under the Provincial Act, passed in the third year of Her Majesty's Reign, entitled "An Act to provide for a regular supply of Seamen for new Ships fitted out or loaded in the Province"; which Act was subsequently disallowed by Her Majesty, in consequence of which all further proceedings ceased.

The account herewith rendered, states the amount which has been received by me on those Prosecutions. The Act provided that one half of all penalties should be paid to the person who sued and prosecuted for the same; and the other half into the Treasury of the Province, for the use and support of Sick and Disabled Seamen.

The moiety of these penalties, which have been received, was paid by me to the several prosecutors, shortly previous to the receipt of the Despatch announcing the Royal disallowance.

And it will be now for the Executive to direct, whether the remainder shall be paid into the Treasury, or returned to the different persons from whom the same was received.

I have the honor to be,

Your most obedient servant,

CHARLES J. PETERS,

Attorney General.

The Honorable WILLIAM F. ODELL, &c.

On motion of Mr. Stephens, Colonel Hayne being called to the Chair in the room of Alfred Reade, Esq., a unanimous vote of thanks was passed to the last mentioned gentleman, for his great and successful exertions in conducting the Oratorio, and as President of the Committee.

Died.

On Wednesday the 2nd inst., at half-past 5 o'clock A. M., the Rev. F. W. Miles, late Pastor of the Baptist Church in L. Jeriton, and former Principal of the Baptist Seminary in this place. He was distinguished as a true friend to his country, and as one whose physical and mental energies, were perseveringly exerted to promote its temporal and spiritual interests, and as an eminently holy and useful Minister of the Gospel. In his life he was highly esteemed and respected by the Church over which he presided, by the denomination of Christians with which he was immediately connected, and by all who had the happiness of an acquaintance with him; and his death is deeply lamented as an irreparable loss to his family, and as a most painful bereavement to the Church of God, and to Society generally.

On Sunday last the Rev. Mr. BILL preached a very impressive and appropriate Sermon to the Baptist Congregation, on the death of their late beloved and much esteemed Pastor.—The text was from the 37th Psalm and 37th verse,—"Mark the perfect man, and behold the upright, for the end of that man is peace."
