

LEGISLATIVE COUNCIL CHAMBER.*Fredericton, N. B. April 4, 1842.*

This Day His Excellency the Lieutenant Governor came in the usual state to the Council Chamber, and having commanded the attendance of the House of Assembly, the House attended accordingly; when after giving his assent to the several Bills passed this present Session, His Excellency was pleased to close the same with the following

SPEECH:

"Mr. President, and Gentlemen of the Legislative Council,

"Mr. Speaker and Gentlemen of the House of Assembly,

"The great importance of the business which has engaged your attention has protracted your labours to a later period than usual, and in bringing the Session to a close, I cannot omit to express to you my congratulations on the successful accomplishment of several measures, the value of which will be generally appreciated.

"The amelioration of the Criminal Laws, the improvement of the Provincial Prison and its Regulations, and the Act for the Protection of Commercial Credit in cases of Bankruptcy, are evidence of the spirit by which you have desired to assimilate the Laws and Institutions of the Province to those of England, and I cannot too emphatically express to you my own conviction that in pursuing this course and securing to the people the full benefits of the British Constitution, you will afford the most effectual guarantee for their freedom and happiness.

"I lament that the Commercial difficulties to which I had occasion to allude at the beginning of the Session, have not yet subsided, and that the sufferings of the labouring classes in Saint John, from want of employment, continue, although alleviated by the considerate aid you have afforded them.

"I have to assure you of the deep sympathy of Her Majesty in the trials to which Her Loyal Subjects have thus been exposed, and which I earnestly hope will be of short duration.

"Mr. Speaker, and Gentlemen of the House of Assembly,

"I thank you for the supplies which have been granted, and which, so far as may be practicable, will be applied in such a manner as to secure the interests of the Province in the objects for which they have been provided.

"Mr. President, and Gentlemen of the Legislative Council,

"Mr. Speaker, and Gentlemen of the House of Assembly,

"The postponement of much business till the next Session, will afford to you an opportunity of ascertaining the sentiments of the people, in regard to several measures of great importance to their future welfare; and if circumstances should require that I should call you together at an earlier period than usual, I shall rely on your support in sustaining the credit of the Province, and in seconding the exertions of an enterprising People, in developing its great resources.

"In such pursuits their success, under Providence, cannot be doubtful, while they seek to raise their prosperity on the basis of Christian morals, which as an inseparable part of the common Law of England will be an unfailing guide to them in all the relations of life."

The General Assembly was then prorogued until the last Tuesday in June next.
