Tailors,	4 0	3 0			
Tanners,	4 10	4 0			
Wheelwrights,	4 10	4 0			
Whitesmiths,	4 10	4 0			

The demand for all kinds of labour, with the exception of that of an Agricultural character, is very uncertain, and the wages also very variable. The work of Masons, Bricklayers, and some other occupations, cannot be carried on during several of the winter months. The rates of wages therefore, as above stated, are to be understood as the average rate when employed.

DAVID W. JACK,  
Acting Immigrant Agent.
