B. ROBINSON, *Province Treasurer.*

Treasury, St. John, 8th July, 1842.

[Published by Command.]

Fredericton, 30th June, 1842.

SIR,—I have the honor to enclose for Your Excellency's information, a Letter I have received from the Secretary of the Admiralty, and to inform you that Lieutenant Kortright has reported, that the "Columbia" will probably be ready to proceed in the first week of July.

When she shall have arrived in the Province, I will do myself the honor to acquaint Your Excellency thereof, and will be ready to execute any wishes Your Excellency may express, in execution of the important trust confided to me, or for Her Majesty's service.

My present intention is, to make, in the first place, a reconnaissance of the entire coast of the Province, and to fix upon those points for accurate determination by Astronomical Observation, which shall be most appropriate for future Trigonometrical Survey, not merely of the coasts and sea Board, but of the interior of the Province, whenever that may be deemed expedient;—for this purpose, I think it advisable to put myself in personal communication with Captain Bayfield, and to obtain from him such observations
