### LADIES' BENEVOLENT SOCIETY.

A BAZAAR will be held in October next, for the benefit and support of the Fredericton INFANT SCHOOL and HOSPITAL, under the patronage of Lady COLEBROOKE, the President of the Benevolent Society. The former of these Institutions contains upwards of Eighty Children,—and the Hospital has, in the brief space of time during which it has been established, received thirty three poor Patients, all of whom, with a single exception, have, by the blessing of Providence, been restored to health,—the former charitable contributions having been wholly dedicated to these objects.

In appealing again to the Members of the Society, and to other charitable persons who may be disposed to aid the undertaking, from a sense of the benefits which these Institutions have already conferred on the community, and of the impossibility of supporting them without such assistance, the Committee of the Ladies' Benevolent Society look forward with confidence to receiving such contributions as will enable them to raise a fund, adequate to meet the current expenses.
