REGULATIONS FOR THE DISPOSAL OF CROWN LANDS.

[By Orders of His Excellency the Lieutenant Governor in Council, 1st December, 1842, and 27th February, 1843.]

1st.—No Land to be sold unless in locations previously surveyed under the directions of the Government.

2nd.—Purchasers of Lots of 50 acres and under, not being indebted to the Crown for any Land previously purchased, may be allowed to claim credit for the purchase money, upon giving Bonds to the Crown, payable with interest annually in advance, at the rate of six per cent. and paying the first year's interest at the time of sale, together with three-pence per acre for the expense of survey made before sale, upon executing which Bond, a grant to be passed to the purchaser.

3rd.—In default of regular payment of the interest annually when due, or under other circumstances injurious to the effective settlement of the Land, the Bonds will be put in suit.

4th.—Persons purchasing more than fifty acres, must pay the whole amount of the purchase money down at the time of sale, it being clearly understood that the fifty acres is the limit of the Government credit to any individual settler.

5th.—Persons who have occupied and improved without title or permission, portions of Crown Land included within any surveyed location, are not to expect any compensation or consideration for such improvements, but if they become purchasers of such portion, they may have credit for the purchase money to the extent of fifty acres, in common with other settlers, and receive titles on executing Bonds, and paying interest as aforesaid.

6th.—Reserves to be made in every location of lines of road, and allotments for Schools and places of Worship, which Reserves will not be allowed to be broken or sold.

Persons desirous of forming a settlement, may make application at the Crown Land Office, stating their names, and pointing out the situation where they may wish to settle, when, if approved of, a survey will be ordered, and the lots, when surveyed, will, after due notice in the Royal Gazette, be put up for sale at Public Auction, at an upset price to be fixed by the Government.

Purchasers at such sale are distinctly to understand, that they must come prepared, either by themselves or their agent, to pay the first year's interest on the purchase money at the time of sale, and that no grant will be passed, or permission given to occupy the land, without such payment being made, nor until the Bond for payment of the purchase money shall have been duly executed and delivered; and that the Bonds will be peremptorily enforced against any purchaser who may neglect to clear and settle the land, or who shall be found cutting off and disposing of the Timber without making efficient settlement.
