FREDERICTON, 18th JULY, 1843.

MILITIA GENERAL ORDER.

THE Commander in Chief has been pleased to direct that Commanding Officers of Battalions will furnish Returns of the respective Rifle Companies attached to their Battalions, specifying the number of Non-Commissioned Officers and Men, with a description and state of their Arms and Equipments.

Commanding Officers in transmitting these Returns on or before the 15th day of August next, are to state whether they are desirous of purchasing the Rifle Clothing in Store, to the extent of Fifty Suits per Company, each Suit to consist of a Dress and Foraging Cap, Green Coat, Trowsers and Stock, at the rate of Ten Shillings a Suit, for the completion of their Equipment.

As the sum charged is considerably less than the cost of the articles furnished, in order to ensure their due preservation, the Commanding Officers will be required to give Bonds, at the rate of Ten Shillings per Suit, in addition to the payment of that sum, on delivery of the Clothing—the payments which would be required in the event of the Clothing not being duly preserved.

Commanding Officers will at the same time notify to the Quarter Master General the name of the Agent they may appoint at Fredericton, to receive and forward the Clothing, and to make payment for the same.

By Command.
