### QUESTIONS.

### ANSWERS.

1. General description of the Prison; whether Common Gaol, House of Correction, or otherwise? (To be accompanied by a Ground Plan of the Buildings, &c.)

Common County Gaols. Plans have been transmitted with previous Returns.

2. Under whose jurisdiction and superintendence; and what measures are adopted for securing the Visitation of the Prison by the Local Magistrates or other authorities? (A Copy of the Rules and Regulations to be forwarded with the Return.)

Sheriffs of the County, Committees of Magistrates, visit the Gaols from time to time, but no measures are adopted to secure regularity in that respect.

3. Number of Officers, and how appointed? Do all the Officers reside in the Prison? Are Female Prisoners attended by Female Officers exclusively?

Generally one Gaoler appointed by the Sheriff. The Officers reside in the Prison, but Female Prisoners are not attended exclusively by Females.

4. Number of Classes, Divisions, or Wards, Day-rooms, Work-rooms, and Airing-yards (with reference to Plan); and whether the same can be extended or increased?

The Gaols are on too limited a scale to admit of such accom-  
modations.

5. Number of Sleeping-cells, Solitary or Dark-cells, &c.; and if any are below ground?

There are no Cells exclusively appropriated for sleeping. The Prisoners sleep in the room where they are confined. In some Gaols there are Cells below the ground, occasionally used for re-  
fractory or turbulent Prisoners.
