NEW REGULATIONS

For the disposal of Timber and Lumber, under the Act 7th
Victoria, cap. 35.

1st.—All applications shall be made by Petition, which shall
describe the situation of the ground, and specify the number of Square
Miles required by the applicant: no Petition to be for more than
Ten nor less than Two Square Miles.

2nd.—From and after the 15th day of October next, applications
will be received daily, during Office hours, and shall have priority
according to the day on which they are received in the Office.

3rd.—Every applicant upon filing his Petition, shall deposit with
the Receiver General the sum of Ten Shillings upon each Square
Mile applied for; and if no other application be presented on the
same day for the Berth so applied for, a receipt shall be given for
the money paid, describing the ground applied for, which receipt
shall be a sufficient authority to the Deputy, to Survey and lay off
the ground for the applicant at his expense where necessary, and
the Licence may be forthwith issued to the applicant, or where
Survey is judged necessary, then as soon as the return of such Sur-
vey is received. But in case that two or more applications for the same
ground are presented on the same day, the first applicant only shall
pay the deposit, and should the party so depositing become the
Purchaser, such deposit shall be applied towards the payment of
the Purchase Money. And in case the ground so applied for should
not be purchased by the depositor, or some other of the applicants,
at the time advertised for the sale thereof, the deposit so made
shall be forfeited; and in case some other applicant than the
depositor shall become the Purchaser, and comply with the terms of
sale, the amount so deposited shall be forthwith refunded to the
party who may have paid the same.

4th.—All Berths applied for by two or more persons on the same
day, shall, if vacant, be immediately advertised in the Royal
Gazette, and fourteen days notice of sale given; and unless the
whole of the Purchase Money be paid by the Purchaser to the
Receiver General at the time of sale, such sale shall be void; and
the ground be forthwith put up again for competition between the
remaining applicants; the upset price being in all cases Ten Shillings
per Square Mile.

5th.—No Timber, Logs or other Lumber shall under any pretence
whatsoever, be cut upon the ground applied for until the Licence

shall have been issued; and no Licence will be issued until the
ground shall have been first Surveyed, and the expense thereof
paid, unless the limits and bounds of the Berth applied for can be
clearly described or identified either by a previous Survey or by
known and established boundaries.

6th.—All Timber, Logs or other Lumber cut upon unlicensed
Crown Lands, or which may be cut by any person beyond the limits
of his own Berth, shall be seized and forfeited to the use of the
Crown.

7th.—That the old Regulation, giving one third of the proceeds
of Timber seized and condemned, to the person or persons upon
whose information and evidence such conviction may be obtained,
be and is hereby rescinded.

8th.—All persons having Licence to cut Timber on Crown Lands,
and who may apply for their old ground before the previous Licence
expires, shall have a preference of a renewal of Licence for such
Blocks of their old ground, at the discretion of the Government, by
private sale, at Ten Shillings per Square Mile, as he or they may
make it appear they actually occupied and worked on the preceding
year.

By His Excellency's Command.
