## FOR SALE OR TO LET,

THE Dwelling House now occupied by the Subscriber.—Terms and conditions made known on application to

JOHN DEFOREST.

Fredericton, 16th October, 1845.

## [CIRCULAR.]

## LADIES' BENEVOLENT SOCIETY.

THERE being reason to apprehend that owing to the failure of the potato crop, demands for relief during the ensuing winter will be more numerous than usual, an urgent appeal is made to the Contributors of the Ladies' Benevolent Society, to send in their subscriptions, in money or kind, as early as practicable.

The fund raised in the two preceding Seasons was very trifling, no special application having been made to Subscribers, such application being reserved for periods like the present.

It should be understood that the operations of the Society are not intended to interfere with the exercise of private benevolence towards objects with whose cases parties may be well acquainted, and whom they may deem deserving of their more enlarged bounty, but rather to protect the community against the influx of persons belonging to other Parishes, and to guard against misdirected charity to the undeserving, whereby the means of relief to the deserving are diminished; and to give relief in that form which prevents the possibility of misapplication which is too frequently attendant on donations in money. For this purpose the Ticket system has been adopted—one place of issue selected, and a Register kept of all parties relieved, thereby making Subscribers the dispensers of their own charity, preventing imposition by bringing all to one place for relief, and enabling a reference at any moment to each case, and the means of further investigation, if required.

It is hoped that the benefits of such a system will be so apparent as to induce general support in a community which is much exposed to the influx of persons having no just claims upon it, while it affords the fullest security that no one will be sent away unrelieved, as far as their immediate necessities require.

The Register kept daily at the place of issue, exhibits the name of the applicant relieved, the number of the applicant's family, the party recommending, and the amount of relief afforded, with such remarks as any particular case may call for; and is open for inspection.

Contributions of Clothing and Provisions will be received at the Infant School between 9 A. M. and 3 P. M. any week day, and subscriptions will be received, as usual, by Mrs. Kerr, the Secretary of the Society, the Reverend Mr. Ketchum, Mr. Wolhaupter, Mr. Simpson, Mr. Reade, and Miss Fayerweather, and by Mr. H. S. Beek, Stationer, where Tickets may be purchased as required, and will be delivered to Subscribers.

Fredericton, November, 1845.

The issues for the Poor, for the Winter, will commence on Monday next the 15th instant, at the Infant School, and on any week day, excepting Wednesday, at half past three o'clock, P. M.
