

The Saw Mills are capable of containing as many Gangs as there are now single Saws, which could be substituted at little cost; they are in perfect order, and some of the Gangs could be driven throughout the entire year, as there are always several of the Saws kept going during the entire Winter; and the Grist Mill has the same advantage. The Dam is in perfect and complete order, having been completed at very great expense, and runs entirely across the River Nashwaak, thus securing the whole waters of the River for the driving of the Mills.

Connected with the Mills there is a fine large Store, well adapted for the business of the Country, also a Blacksmith's Shop, and a good Cottage and Garden attached, well suited for the Manager of the Mills, besides a number of Houses suitable for the Workmen at the Mills.

There is also a tract of Land on the Eastern side of the River, containing 500 acres, and about 200 acres on the Western side, the latter embracing the Holybrooke Farm, and the whole highly capable of cultivation, and precluding any interference by other Establishments on the River. These valuable Properties will be sold along with the Mills, and reasonable accommodation will be given to the Purchaser. There can scarcely be found within this Province such a valuable Water privilege, and it is therefore well deserving the attention of any party wishing to embark in the Lumber Trade; the whole can be seen at any time, and full particulars given on application to Messrs W. J. Bedell and Co., Fredericton, Charles Perley, Esquire, Woodstock, or to the Subscribers at St. John.

ROBERT RANKIN & CO.

FOREST LODGE FOR SALE.

AN opportunity is now offered for the purchase, on most reasonable terms, of that valuable property known as Forest Lodge, on the River Nashwaaksis, about five miles from Fredericton.

The property comprises two distinct Farms, containing in all about 875 acres of Land, nearly 200 of which are cleared and prepared for cultivation, a very large proportion of it being Interval Land on both sides of the Nashwaaksis Stream.

The Buildings are commodious, and have been erected at considerable expense; those on the front or River Farm, having alone cost nearly £700, and are admirably adapted for a Gentleman's Country residence. The House on the Royal Road Farm is a comfortable Dwelling House, finished in a plain and substantial manner.

The local advantages of the property are too numerous to be described in this Advertisement, and intending Purchasers are invited to examine the Land and Premises, when those advantages will be at once apparent.

The terms of Sale (which are peculiarly liberal) will be ascertained by application to William Wright, Esquire, Barrister at Law, in Saint John, or to Robert Gowan, in Fredericton.
