THE attention of the Supervisors and Commissioners of Bye Roads is hereby called to the following Instructions, and to the second, third, fourth, fifth and sixth clauses of the Act 9 Vict. cap. 55, to which they are enjoined strictly to adhere; and on sending in their Accounts to the *Auditor General*, as required, they are to make Reports to the Lieutenant Governor of the state of the Roads, in which Reports are to be noted any alterations that may have been made in the Roads under their charge, the state of the Bridges on the Lines, and when practicable, each Report to be accompanied by a Diagram or Survey on which the sites of the Bridges are to be distinctly marked.

By His Excellency's Command.

Secretary's Office, 12th May, 1846.

J. S. SAUNDERS.

THE several Supervisors, and Commissioners appointed to expend the Bye Road Grants of 1846, are hereby directed and required to send in their Accounts to the Auditor General on or before the 10th day of October next, and are strictly enjoined to keep the expenditure within the amount of the sums granted, and in cases where they may consider that injury or inconvenience would result from delay in executing work which would require a further outlay, they are to report the circumstances to the Government, and are on no account to take upon themselves to expend more than the sums intrusted to them, and in case of any deviation from this rule, they will be surcharged with the amount so expended.

Notice is also hereby given, that all Road Commissioners to whom is intrusted the expenditure of sums amounting to £250 and upwards, are required forthwith to transmit to this Office proper Bonds, with two competent Sureties, in double the amount to be expended, conditioned for the faithful discharge of their duty, and that the Treasurer has been instructed not to pay out Monies for the Roads until furnished with Certificates that work has been actually performed to the amount of the sums applied for, excepting where advances may have been sanctioned.
