THOS. BAILLIE, Surveyor General.

The following Bill will be introduced at the ensuing Session of the Legislature, for the purpose of being passed.

A Bill to impose a Tax upon Wild Lands in the County of York.

‘ WHEREAS there are many tracts of Wild Lands situate in various parts of the County of York, which, from being unimproved, retard the Settlement of the Country: And whereas the imposing a small Tax on such Lands, to be appropriated in improving the Roads, would be a great relief to the actual Settler, and only just to the non-resident Proprietors of Land benefitted by the improvements;’

I. Be it therefore enacted by the Lieutenant Governor, Legislative Council and Assembly, That from and after the — day of — next, there be annually laid or imposed the sum of — Shillings of lawful Money upon every hundred acres of granted Wilderness and unimproved Lands, contained in the County of York, except as hereafter excepted, the said Tax to be paid by the respective Owners or Proprietors thereof, and to be levied, collected and applied in improving the Roads in the vicinity thereof in manner hereafter prescribed.

II. And be it enacted, That the Justices of the Peace for the County of York, at their first General Sessions in each and every year, shall appoint a fit and proper person in each Town or Parish of the said County, to be a Collector of Wild Land Tax within the Town or Parish for which he shall be so appointed, who shall be sworn to the faithful discharge of his duty, and shall be liable to all the pains and penalties for neglect of duty, or refusal to serve, as any Town or Parish Officer is liable to by the Laws now in force.

III. And be it enacted, That the Collectors shall annually, so soon after their appointment as they conveniently can, give notice in some Newspaper published in the said County, and also post up advertisements in two of the most public places in the Parishes for which they are appointed, which notice and advertisement shall notify the respective Proprietors or Owners of Wild Lands in the said Parishes, to pay the Tax imposed by this Act, in thirty days after the date of such notice, or in default thereof they will be prosecuted, which notice shall be in the form in the Schedule to this Act annexed.

IV. And be it enacted, That if any proprietor or owner of Wild Land, shall neglect or refuse to pay the amount of the Tax imposed by this Act, for the space of thirty days after the publication of such notice, then the said Collector may sue for the said Tax in an Action of Debt or Assumpsit, in any Court having jurisdiction to the amount thereof, in his own name, in like manner as for his own proper debt; or such Collector may proceed to obtain payment of the said Tax of such proprietor or owner in the following manner, that is to say, if such proprietor or owner or some one on his behalf doth not appear to pay such Tax, the Collector shall cause public notice to be given of such Tax by advertisement published in the Royal Gazette, which advertisement shall be continued for — months, unless
