LADIES' BENEVOLENT SOCIETY.

AS the period is approaching for the recommencement of the issues at the Infant School, contributions are solicited at the earliest period, to enable the necessary supplies for the Winter to be laid in.

"It should be understood that the operations of the Society are not intended to interfere with the exercise of private benevolence towards objects with whose cases parties may be well acquainted, and whom they may deem deserving of their more enlarged bounty, but rather to protect the community against the influx of persons belonging to other Parishes, and to guard against misdirected charity to the undeserving, whereby the means of relief to the deserving are diminished; and to give relief in that form which prevents the possibility of misapplication which is too frequently attendant on donations in money. For this purpose the Ticket system has been adopted—one place of issue selected—and a Register kept of all parties relieved,—thereby making Subscribers the dispensers of their own charity, preventing imposition by bringing all to one place for relief, and enabling a reference at any moment to each case, and the means of further investigation, if required.

"It is hoped that the benefits of such a system will be so apparent as to induce general support in a community which is much exposed to the influx of persons having no just claims upon it, while it affords the fullest security that no one will be sent away unrelieved, as far as their immediate necessities require."

The Register kept daily at the place of issue exhibits the name of the applicant relieved, the number of the applicant's family, the party recommending, and the amount of relief afforded, with such remarks as any particular case may call for; and is open for inspection.

Contributions of Clothing, Potatoes, Meal, &c., received at the Infant School; and of Money, by the Secretary Mrs. Kerr, the Rev. Mr. Ketchum, Mr. Wolhaupter, Mr. Simpson, Mr. Reade, and Miss Fayerweather, and at Beek's Book Store, where Tickets may be procured.

Fredericton, December, 1847.

CORONER'S INQUEST.—An Inquest was held on the 13th inst. in the Parish of Dumfries, before Henry Jones, Esquire, Coroner, on view of the body of David White. Verdict—Accidental death, by drowning.—It appears that the deceased, together with David Feril, Michael Lenentine, Jun., and Elijah Dickenson, were crossing Brown Lake on Sunday the 12th inst., when they all fell through the ice. Feril, who got out first, succeeded in rescuing the other two individuals, but White unfortunately sank before assistance could reach him.

All Letters must be Post-paid.
