CAP. XX.

An Act for the regulating of the Navigation of small Rivers and Streams, and the building of Dams across the same, in this Province.

Passed 30th March 1848.

Preamble.

WHEREAS the erecting of Mill Dams across the small Rivers and Streams of this Province, without passage ways for Timber, Logs and other Lumber, through or over the same, impedes or stops the transport of all such Timber and other cumbrous articles, to the great injury of the Lumbering Interest of the Province, as well as retards the settlement of the Wild Lands on such Rivers or Streams;

Surveyors of Mill
Dams to be ap-
pointed by the
Sessions, and
sworn as other
Parish Officers.

I. Be it therefore enacted by the Lieutenant Governor, Legislative Council and Assembly, That from and after the passing of this Act, it shall and may be lawful for the Justices of the Peace in General Sessions, for the several Counties in this Province, to appoint one or more proper person or persons for each Parish (where the same may be required,) as Surveyors of Dams, and who shall be duly sworn to the faithful performance of his duty, in like manner as other Parish Officers so chosen or appointed, and whose duty shall be, when called upon for that purpose by any person or persons who may require a sluice way for the purpose of driving Timber, Logs, Deals or other Lumber down or over any Dam or

On application,
