

Nor can I acquiesce in the view, that to select a Member of the Medical Profession from the adjoining Province, is an insult to the Medical Practitioners of this Colony. A very few weeks have elapsed since a federal union of the British North American Colonies was publicly discussed at Saint John; among its advocates was at least one Member of the Profession. I cannot, under any circumstances, look upon a Subject of the British Crown in Nova Scotia in the light of a Foreigner. I have some reason to think, moreover, that the place in question was offered without success to one or more Medical men resident in this Province.

I cannot hold out to the Memorialists any hope of superseding the present Commission on the grounds put forward by them.

An attempt was made some time since to form a Commission which would have contained none but residents at Saint John, and of which no individual belonging to the Executive Government was a Member. Many of the Gentlemen then named declined to act, and to this fact, and this alone, the present Commission, constituted as it is, owes its origin. I need not point out to the Memorialists, that the Provincial Act 12 Victoria, c. 28, s. 5, vests the whole power of appointing and dismissing the Officers of the Asylum in the Commissioners.

To supersede the Commission, merely because they have exercised the powers legally vested in them, without any allegation that the person is unfit or incompetent, would be in reality open to the charge of bringing "undue Executive influence" to bear on the management of the Asylum.

NEW BRUNSWICK.

HOUSE OF ASSEMBLY,

WEDNESDAY, 8th March, 1848.

RESOLVED, That no Bill of a private nature, or Petition for money or relief, shall be received by the House after the fourteenth day from the opening of the Session, both inclusive; and that the Clerk of this House do, one month previous to the meeting of the Legislature, cause fifty printed copies of this Rule to be sent to each of the Clerks of the Peace in the several Counties for distribution, and cause the same to be inserted in the Royal Gazette, and two Newspapers in such County where Newspapers are published.

HOUSE OF ASSEMBLY,

SATURDAY, 7th April, 1849.

WHEREAS the number of applications to this House from School Teachers for Grants of Money have been from year to year increasing; and whereas it is desirable that such information should be furnished as would enable this House to arrive at just and equitable conclusions; therefore

RESOLVED, That this House will in future sustain no application for allowances to Teachers of Common or Parish Schools, unless it shall be certified by at least two Trustees of Schools for the Parish where such School has been taught, shewing the time actually taught—the Teacher to be licenced—the cause why such Teacher was not certified to the Sessions in the ordinary way—and that such Teacher was not compelled to discontinue his or her School on account of any improper conduct.

CHAS. P. WETMORE, *Clerk.*
