## PROVINCE OF NEW BRUNSWICK.

### BY AUTHORITY.

**LS** By His Excellency Sir EDMUND WALKER HEAD, Baronet, Lieutenant Governor and Commander in Chief of the Province of New Brunswick, &c. &c. &c. EDMUND HEAD.

### A PROCLAMATION.

WHEREAS the General Assembly of this Province stands prorogued to the last Tuesday of this present month of June, I have thought fit further to prorogue the said General Assembly, and the same is hereby further prorogued to the second Tuesday in September next.

Given under my Hand and Seal, at Fredericton, the twenty first day of June, in the year of our Lord one thousand eight hundred and forty nine, and in the thirteenth year of Her Majesty's Reign.

SECRETARY'S OFFICE,  
Fredericton, 2d August, 1849.

SIR,—The Lieutenant Governor and Council, in selecting you to fill the office of Police Magistrate for the City of Saint John, have done so with full confidence of your personal fitness for the office.

Your duties will be sufficiently clear from the Act itself, the provisions of which are intended to exclude the Police Magistrate from mixing in any way with party politics. The Lieutenant Governor is desirous, particularly at this moment, of directing your attention to the importance of carrying out the spirit of these provisions of the Act in all appointments of your subordinate officers. The selection of your own Clerk and of the Police Constables is properly confided to you who are responsible for their efficiency and discipline.

The Clerk should accept his situation, subject to the condition that he is not to practise professionally in Magistrates' cases of any kind; and it is most important that no men should be appointed Constables whose habits of sobriety can be questioned, or whose previous position has been such, as to involve them in parties or factions. It is essential that they should discharge their duties fearlessly and impartially, as you yourself would desire to do; and that the public of all parties and opinions should feel perfect confidence in the protection afforded under the Law by their agency. Too great care cannot therefore be exercised in the choice of the men and in their instructions by yourself.

The Lieutenant Governor is desirous that that force should be organized as speedily as may be consistent with the principles and precautions set forth in this Letter.

I have, &c.

(Signed) J. R. PARTELOW.
