

FREDERICTON DISPENSARY.

"Blessed be he that provideth for the sick and needy, the Lord shall deliver him in time of trouble."—Psalm xli.

Much suffering is known to exist among the Poor in this City from the want of Medical treatment and advice. The attendance of a Physician at a professional charge, and the simplest remedies, are often beyond the reach of many who yet shrink from applying for aid provided by the law for objects of Parish charge. Such parties have the strongest claim upon the sympathy of their fellow citizens.

His Excellency the Lieutenant Governor, the Lord Bishop of Fredericton, and some others, have proposed relief for such cases, by establishing a Dispensary in Fredericton. Dr. Toldervy has most kindly offered his services, and has made an arrangement with a Druggist to supply the Medicines required at a reduced rate.

COMMITTEE:

Bishop DOLLARD, B. WOLHAUPTER, Esquire,
The Rev. J. M. BROOKE, J. SIMPSON, Esquire.
The Rev. W. Q. KETCHUM,
J. TOLDERVY, M. D., Medical Officer.
Rev. W. Q. KETCHUM, Secretary and Treasurer.

Contributions to this object, and the names of contributors, will be gladly received by the Secretary and Treasurer, and by any Member of the Committee.

Tickets will be supplied for the several amounts.

N. B.—The name of the Patient, and the person recommending, to be inserted on the Ticket.

RULES.

I. Every person subscribing five shillings shall have the power of recommending two cases, not being cases of women in childbirth.

II. Every person subscribing ten shillings and upwards, shall have the power of recommending one such case for every two shillings subscription.

III. The person bringing a Subscriber's Ticket to the Medical Officer, does so on the understanding that he or she conforms to the Rules of the Society and the directions of the Medical Officer.

IV. The Medical Officer shall have the power of declining to attend persons whom he knows not to be objects of charity in such a sense as to entitle them to gratuitous Medical aid, or who are receiving Parochial relief in Medical attendance or otherwise.

V. All Tickets so rejected, shall be returned, endorsed by the Medical Officer, to the Subscriber, who shall be entitled to have them renewed on application to the Secretary.

VI. The Tickets of persons prescribed for or attended by the Medical Officer, shall be pasted in a book provided by the Dispensary, with a memorandum of the attendance and the nature of the complaint and treatment from time to time, as well as of wine and other extras ordered for the patients.

VII. The funds of the Dispensary shall be applied as follows:—

1st. To pay for Medicines furnished on the prescription of the Medical Officer:

2nd. To pay for bandages, splints, leeches, and medical appliances, thought necessary by the Medical Officer:

3rd. To pay to the Medical Officer a certain sum, to be determined by the Committee, for any case demanding extra care and visits to the patient's own house; in which may be included, at the discretion of the Committee, cases of midwifery:

4th. To defray any charges incident on the medical relief;

5th. To provide wine and medical comforts absolutely necessary, to be given by the Medical Officer and him only:

6th. If there be any surplus at the end of the year, a distribution of Clothing shall take place under the direction of the Committee.

VIII. The Committee shall meet monthly, commencing on the second Monday in January next, at 12 o'clock, (or at any such time as the Medical Officer or any two of the Committee may think necessary,) inspect the Books of the Medical Officer, the Druggist's Accounts, and shall summon an annual meeting of the Subscribers, before whom the Accounts shall be laid at such meeting.
