CAP. LI.

An Act to consolidate all the Laws now in force for the division of the Province into Counties, Towns and Parishes.

Passed 26th April 1850.

Preamble.

WHEREAS His Most Gracious Majesty King George the Third, by the Royal Letters Patent, under the Great Seal of this Province, bearing date the eighteenth day of May in the year of our Lord one thousand seven hundred and eighty five, was pleased to erect and divide this Province of New Brunswick into eight Counties, known and distinguished by the following names: The City and County of Saint John, Westmorland, Charlotte, Northumberland, King's County, Queen's County, York, and Sunbury; which said several Counties are fully defined and described by their several boundaries in the said Letters Patent, as by reference thereto will more fully appear: And Whereas the Counties of Northumberland, York and Westmorland have by several Acts of the General Assembly of this Province been divided, and six new Counties erected, to wit, the County of Northumberland into the Counties of Northumberland, Kent, Gloucester and Restigouche; the County of York into the Counties of York, Carleton and Victoria; and the County of Westmorland into the Counties of Westmorland and Albert: And Whereas the descriptions of the said Counties, and their subdivision into Towns and Parishes, are in some instances obscure, and difficult to be understood, and it is deemed expedient to consolidate all the Laws now in force relating thereto, and more clearly to define and specify the boundaries of the said Counties, and the Towns and Parishes into which they have been subdivided;

The Province
divided into Coun-
