

NEW BRUNSWICK.**HOUSE OF ASSEMBLY,**

8th March, 1848.

RESOLVED, That no Bill of a private nature, or Petition for money or relief, shall be received by the House after the fourteenth day from the opening of the Session, both inclusive; and that the Clerk of this House do, one month previous to the meeting of the Legislature, cause fifty printed copies of this Rule to be sent to each of the Clerks of the Peace in the several Counties for distribution, and cause the same to be inserted in the Royal Gazette, and two Newspapers in such County where Newspapers are published.

CHAS. P. WETMORE, Clerk.

HOUSE OF ASSEMBLY,

7th April, 1849.

WHEREAS the number of applications to this House from School Teachers for Grants of Money have been from year to year increasing; and whereas it is desirable that such information should be furnished as would enable this House to arrive at just and equitable conclusions; therefore

RESOLVED, That this House will in future sustain no application for allowances to Teachers of Common or Parish Schools, unless it shall be certified by at least two Trustees of Schools for the Parish where such School has been taught, shewing the time actually taught—the Teacher to be licenced—the cause why such Teacher was not certified to the Sessions in the ordinary way—and that such Teacher was not compelled to discontinue his or her School on account of any improper conduct.

CHAS. P. WETMORE, Clerk.
