The several Supervisors and Commissioners appointed to expend the Road Grants of 1852, are hereby directed and required to send in their Accounts to the Auditor General on or before the tenth day of October next, and are strictly enjoined to keep the expenditure within the amount of the sums granted ; and in cases where they may consider that injury or inconvenience would result from delay in executing work which would require a further outlay, they are to report the circumstances to the Government, and are on no account to take upon themselves to expend more than the sums intrusted to them ; and in case of any deviation from this rule, they will be surcharged with the amount so expended.
