### REGULATIONS.

In order fully to carry out the above arrangements, it is considered necessary that some change should be made in respect to payments for work performed. Much expense has heretofore been incurred from the difficulty in collecting outstanding Accounts; many of them, including services for several years past, still remaining unpaid.

To obviate such difficulties for the future, and to ensure an adequate return for services rendered, it has been determined that all non-official Advertisements forwarded for insertion in the Royal Gazette, must be accompanied by payment, or satisfactory security, according to the following terms:—

For every Notice not exceeding 18 lines, 4s. 6d. for the first, and 1s. 6d. for every subsequent insertion:

All over 18 lines, 3d. per line for the first, and 1d. per line for every subsequent insertion.

Much trouble will be avoided by attending to the above. The terms must be strictly adhered to, and any Advertisement received not agreeing therewith, will not meet with attention.

The Royal Gazette will be furnished to Subscribers at 10s. per annum, invariably in advance.
