

NOTICE TO THE PUBLIC.

IN pursuance of an order in Council dated the 21st instant, that "all Letters transmitted by Mail containing or purporting to contain Money, shall be registered at the Post Office receiving the same, and a Receipt given therefor, and also a Receipt taken from the party to whom the same may be delivered, on condition of the payment at time of posting such Letters, of sixpence for each Letter, in addition to the Letter Postage chargeable for the same; unless the party requiring the transmission of any such Money Letter decline paying the said sum of sixpence for such extra service, in which case, the said Letters shall be transmitted as any other Letters by Post."—Notice is hereby given that the necessary forms will be at once printed and issued to the Post Masters and Way Office Keepers, to enable them to carry the above order into effect from 6th July next.

Persons desirous of thus Registering Letters, must post them thirty minutes before the hours appointed for closing the respective mails, as, to insure greater accuracy in their transmission, Postmasters are authorized to refuse Registering Letters brought the Post Office at a later hour.

As stated above, the Registration fee and letter postage must be paid in advance; this may be done, however, either in money, or in Postage Stamps, or part in money, part in Postage Stamps.

It must be understood, that this Registration will not extend to the United States, nor to any foreign country. Should it be desired, however, such Letters will be Registered and forwarded as far as possible under the Regulations for the Registration of Letters. Throughout the United Kingdom, and British Provinces, Letters thus Registered will be treated with the same care as in this Province.
