HOUSE OF ASSEMBLY.

THE following were adopted as Standing Rules in the Session of 1851:—

37th.—That no Bill of a private nature, or Petition for money or relief, shall be received by the House after the fourteenth day from the opening of the Session, both inclusive; and that the Clerk of this House do, one month previous to the meeting of the Legislature, cause fifty printed copies of this Rule to be sent to each of the Clerks of the Peace in the several Counties for distribution, and cause the same to be inserted in the Royal Gazette, and two Newspapers in such County where Newspapers are published.

38th.—That this House will sustain no application for allowances to Teachers of Common or Parish Schools, unless it shall be certified by at least two Trustees of Schools for the Parish where such School has been taught, shewing the time actually taught—the Teacher to be licenced—the cause why such Teacher was not certified to the Sessions in the ordinary way—and that such Teacher was not compelled to discontinue his or her School on account of any improper conduct.

PROVINCIAL BOARD OF EDUCATION.

January 11, 1853.

ORDERED, That the following General Regulations, respecting hours of Daily Teaching, Holidays, and Vacations, be observed by Teachers in the Parish School Service:—

I. The hours of teaching in each day shall not exceed six, exclusive of all the time allowed at noon for recreation. Nevertheless a less number of hours for daily teaching may be determined upon in any School at the option of the inhabitants of the District.

II. Every alternate Saturday and the Queen's Birth Day shall be a holiday in each School. Should the Queen's Birth Day fall on a Sunday, then the following Monday shall be observed as a holiday instead.

III. There shall be three vacations in each year; the first, eight days at Easter; the second, the first two weeks in August; the third, eight days at Christmas.

IV. All agreements between the inhabitants of School Districts, Trustees, and Teachers, shall be subject to these General Regulations; and no Teacher shall be deprived of any part of his Salary on account of his observing allowed holidays and vacations.

N. B. In Districts in which cessation from teaching is compelled at certain seasons, by peculiarities of situation, as in the case of a freshet overflowing intervale lands, the period and relative proportion of the spring and summer vacation may be varied by arrangement between the inhabitants and the Teacher; yet not so as to affect the entire extent of vacation to be allowed.
