At a Meeting of the College Council, held in the Committee Room of the Executive Council, on Saturday the 2nd day of April, 1853, at 3 o'clock P. M., called by order of the Chancellor—
Read and enacted the following additional Statutes:—

That one hundred and fifty pounds per annum be appropriated to defray the expense of Lectures and Practical Instruction to be given in Civil Engineering and Drawing, by such person or persons as His Excellency the Visitor may appoint for that purpose; who shall receive a fee of five shillings per Term from every Student attending such Lectures; and the Student shall be entitled to receive a Certificate of the proficiency he makes therein, if he deserve it.

Any person may, so long as he demean himself properly, attend all or such of the Lectures at the College as he may desire, on payment of a fee of ten shillings per Term, to each Professor whose Lectures he attends, and producing a ticket of admission from the Chancellor.

Every person qualified to pass the prescribed examination for Matriculation, or that part relating to the particular branch of study to which he intends to devote himself, may become a Student of the College, and shall be bound to attend such Lectures only as are connected with such branch of study; and shall be entitled to a Certificate of proficiency in such particular branch of study, if deserved.

Any Scholar of the Collegiate School, on producing a Certificate from the Head Master, may, if his Parent or Guardian desire it, attend any of the Lectures at the College, without payment of any additional fee.

A Board, consisting of the Principal and the two next Senior Professors, shall exercise the power of enforcing the Statutes relating to the general conduct of the Students and Subordinate Officers of the College, now vested in the Principal alone.

Each Professor shall keep a Register of the attendance of the Students at his Lectures, and general conduct of every Student, which he shall deliver to the Registrar at the end of every Term, to be by him laid before the Council at their next meeting.

I certify the above to be a true extract from the Minutes of the College Council.
