[This Act was specially confirmed, ratified and
finally enacted by an Order of Her Majesty in Coun-
cil, dated the 11th day of August 1854.]

[Circular.]

Downing Street, 16th August, 1854.

SIR,—Her Majesty's Government have recently directed their
attention to the Imperial Customs Establishments maintained in
the North American and West Indian Colonies, and I now inform
you, that the Government consider that it is no longer necessary
to keep up a separate Establishment for the performance of the
limited duties devolving on the Comptrollers of Customs and
Navigation Laws in the British Colonies, and that the time has
arrived when the execution of those duties might with advantage
be transferred to the Colonial Officers.

The more important duties now remaining to be performed by
the Imperial Officers since the repeal of the Navigation Laws, are
the registration of Vessels in the Colonies, and the granting of
Certificates of origin (when required) for Colonial produce;—
These services are obviously rendered for the benefit of the Colo-
nies, and should be performed by the Officers of the Colonial cus-
toms Establishments, and for the same reason those Officers will
be required to furnish the usual periodical returns for the purpose
of affording statistical information to Parliament upon subjects
of far greater value to the Colonies than to this country.

In the Australian Colonies, the Cape of Good Hope, New
Zealand, and even in numerous Out Ports in British North Ame-
rica, as well as in some Out Stations in the West Indies, the
Colonial Officers of Customs prepare the Accounts of Trade and
Navigation required for Parliament, and perform, free of charge,
all other duties now executed by the Imperial Officers in North
America and the West Indies, and Her Majesty's Government
conceive that the Colonial Officers of Customs in the Province of
New Brunswick are fully competent, and will be equally ready to
perform, all the duties at present executed by Imperial Officers,
and that they should therefore be directed to perform the same, in
like manner, and upon the same principle, as in the Australian and
other Colonies herein before referred to.

You will, therefore, announce that the Imperial Officers of
Customs will be withdrawn at the earliest possible period, and that
it will be requisite for the future, that the Accounts of Trade and
Navigation should be furnished, and the other duties of Comptrollers
of Customs and Navigation Laws executed, by the Colonial
Officers of Customs, in conformity with the practice observed in
other Colonies, and as Her Majesty's Government hope, without
imposing any additional expense upon the Revenue of the Colony
under your Government.

I have the honor to be, Sir,

Your most obedient humble servant,

G. GREY.

Lieut. Governor Sir E. Head, Bart., New Brunswick.
