## IN THE SUPREME COURT.

EASTER TERM, 18 VICTORIA, A. D. 1855.

## General Rules.

IT IS ORDERED, That when a Rule Nisi for a new trial—or of the like kind—has been granted in a cause tried at the Sittings for the County of York, the case shall be entered by the Clerk on the special paper for the Term at which the Rule is granted, without its being necessary to serve the Rule Nisi as in other cases, unless the Court shall order the same to be served; and the cause shall be called on for argument in the order in which it is entered.

In reference to the Act of Assembly 18 Victoria, Chapter — intitled "An Act relating to Jurors," it is ordered as follows:—

1. The Clerk, at any Circuit Court or Sittings, shall enter on the Minutes the time when the Jury retire to consider of their verdict, and also the time when the Jury return into Court to deliver their verdict.

2. If they return within two hours, the verdict shall be taken and entered in manner heretofore accustomed.

3. If they return after the lapse of two hours, after they are called over by their names and answer thereto, they shall be asked thus—Gentlemen of the Jury, are you all agreed on your verdict, or how many and which of you are agreed thereupon?

If they shall answer that they are all agreed, the verdict shall be taken and entered in the usual manner. If they shall answer that they are not all agreed, but that five (or six) are agreed, the names of the Jurors by whom the verdict is so returned shall be taken and entered in the Minutes, and the verdict shall be recorded as follows:—

The Jury having considered of their verdict, and not being able all to agree within two hours, five (or six) of their number, namely, A. B., [the names to be here specified.] do say that they find [the finding to be here stated].

This entry shall then be read over to the Jury distinctly, and shall be returned on the Postea as follows:—

[Commencing in the ordinary form.]

And the Jurors of that Jury being summoned also come, who to speak the truth of the matters within contained, are chosen, tried, and sworn, and having retired to consider of their verdict, and not being able to agree within two hours, five (or six) of their number, namely, [here set forth the names.] pursuant to the Act of Assembly relating to Jurors, say upon their oath [here state the verdict].

4. The oath to the Constable who shall have charge of the Jury, shall be as follows:—

You shall keep this Jury together in one of the Jury Rooms of this Court House [or as the place may be.] until their verdict is agreed on, or the Court shall otherwise order; you shall not suffer any person to speak to them, or any of them, neither shall you yourself speak to them, unless it be to ask if they are agreed on their verdict, except by direction of the Court. So help you God.
