

As the Anniversary Meetings of the Society take place in January, the Clergy are respectfully requested to forward to the Secretary the Reports of the Missionaries, and of the several Local Committees (if possible) before the close of the year, so that the Annual Report may then be completed.

There was an error in the date of the above Meetings, as given in the Notice of last week, which is corrected in this impression.

The Executive Committee will meet (D.V.) at Fredericton, in the Madras School Room, on Wednesday the 7th day of January next, at four o'clock.

CARD.

THE Subscriber begs leave to acquaint his friends, and the public generally, that he has recently arrived from England and the United States with a general Stock of genuine and superior

MEDICINES,

together with a selection of the most approved Patent Preparations, &c. &c., and has commenced Business as a

DRUGGIST AND APOTHECARY

in the premises formerly occupied by Mrs. Burrell, on the South East corner of King and Germain Streets.

In addition to the opportunities afforded him in one of the first Druggist Establishments in this City of acquiring a thorough knowledge of the business, he has during the past year in Edinburgh and London directed his attention to the peculiar properties of Medicines in regard to quality and purity, and has purchased his Stock at the Manufactories and principal Houses in the Mother Country, and made such arrangements as will enable him at all times to supply articles of the best quality.

As every Prescription will be prepared under his personal superintendence, the Members of the Medical Profession, and the public in general, may rely that all Orders entrusted to him will be executed with the utmost care and accuracy.

He respectfully solicits a share of public patronage.

J. G. SIMPSON.
