} Administrators.

Saint John, Nov. 24, 1857.

NOTICE.

A PANIC and determined run having this day commenced on the CENTRAL BANK OF NEW BRUNSWICK, arising from several Telegraphic Reports from the City of Saint John that the Paper of this Bank had been generally refused there;—

The Board of Directors have felt it their duty to announce to the public that they must resort to a temporary suspension of specie payments.

This step has been taken upon mature consideration, and with a view to the best interests of all concerned with the Bank, as well as for the public at large. And the Directors feel quite justified in saying that the state of the Bank authorizes them to give the fullest assurance to the public that there is no greater cause of alarm at the present than at any former period of the existence of this Institution.

It will be apparent to every one that any unnecessary depreciation of the paper of this Bank in the public mind, can only tend to injure the community without effecting the slightest possible good.

GEORGE BOTSFORD,

President Central Bank.

Fredericton, 4 o'clock, P. M., Nov. 30, 1857.
